Good afternoon everyone and welcome to the Jubilee Field for our League encounter with **CHATHAM TOWN FC**, to whom we offer a particularly warm welcome along with today's match officials.

Chatham currently sit healthily in second place in the League table, following their lone goal victory against fellow promotion chasing Ashford Town last Saturday. They are just two points behind leaders, Ramsgate, with one game in hand. Their home record is an impressive seven wins from the same amount of games, whilst away they have only lost once in five matches. So we expect a tough assignment this afternoon.

The disappointing loss at Ramsgate last Saturday was particularly galling after we had played well for the first hour, so we know that it is important to battle for ninety (sometimes more) minutes today and in future games.

Our U18's suffered only their second defeat of the season when they took their exit from the Sussex Youth Cup away to Newhaven on Monday night. Manager Brannon O'Neill did actually comment that Bridges deserved to lose on the night, but the team still have both the League and League Cup still to play for.

It's the Sussex Senior Cup up next for our front side with the mouth watering visit of Brighton & Hove Albion here this Tuesday evening (22nd) and we are here again next Saturday when Faversham Town will be the visitors.

Graham McDonnell, the Youth Section Chairman, is today's Match Ball Sponsor, and we thank him for his continued support.

Enjoy today's game.

HISTORY OF THREE BRIDGES FC

Founded in 1901, Three Bridges joined the Mid Sussex Football League in 1902 and were Champions of that League for the first time in the 1907/08 season. Their first major success came in 1933/34, when they won the Sussex Junior Cup, and sundry other minor honours came their way before they joined the Sussex County Football League in 1952/53, and two years later were crowned Second Division Champions.

In 1962/63 they won the Division Two Invitation Cup and in 1968/69, 1973/74 and 1979/80 were Second Division Runners Up. 1970/71 produced an against-the-odds triumph when winning the League's Invitation Cup against Southwick (3-2). The 1980s heralded a run of successes, starting with reaching the last 16 of the FA Vase for the first time in 1981/82 before losing at Molesey (1-2). A season later they made it to the last 32 but also won the Sussex RUR Charity Cup for the first time, beating Hastings Town 3-2. Another year on saw them finish runners up in the Thorn EMI National six-a-side tournament, winning a set of floodlights. 1985/86 saw them finish as County League Division One runners up, a feat they repeated in both 1987/88 (when they also won the RUR Cup again) and 1988/89.

A fire destroyed their clubhouse in 1993 which re-focused their priorities and ultimately resulted in relegation in 1996/97. They won the Division 2 League Cup a season later and then finished runners up in Division 2 to regain Division 1 status. They were RUR Cup runners up in 2003/04 and then winners of that same prestigious trophy in 2007/08.

In season 2010/11 hopes were high when they started by winning their first nine League games, but eventually finished the season in 5th place. However they did win the John O'Hara League Challenge Cup for the first time that season, beating Rye United 2-1, a tremendous feat that they achieved again in 2011/12, this time AFC Uckfield being defeated 2-1. It looked like being another tough League campaign when they lost four of the first nine matches, but then lost only one of the remaining 29 games, which was concluded by beating Championship rivals Rye United 1-0 at home on the final day of the season! This tremendous run meant the club had achieved its ambition and become Sussex County Football League Champions. With a superb run in the FA Vase too, losing in the last 32 on a penalty shoot-out with Derbyshire side, Gresley FC, the 2011/12 'Double' season had undoubtedly been the best in Three Bridges' history.

Their first season in the Ryman Isthmian Football League South Division saw them struggle for much of the time. However, having been 10 points adrift at the bottom of the table in mid-February, they went on a run of 11 matches that produced 7 victories, 2 draws and just 2 defeats, earning them Team of the Month Awards in both March and April as a result. It meant that they survived the drop, but their second season in the Ryman League saw them struggle at times again but some key signings midway through the season helped them to 19th place.

The 2014/15 season saw an even greater improvement with a healthy mixture of youth and experience guiding them into 7th position and, whilst they were happy to score 94 League goals, they were less than happy about the 95 they conceded! They improved their defensive record in conceding 67 goals in season 2015/16 but only scored 59, hardly helped by long-term injuries to strike partners Allan Tait and Tony Garrod. With 66 points, they slumped to 14th position, although they only accumulated 6 points fewer than in the previous campaign!

Bridges maintained most of that season's squad for the 2016/17 campaign. However, with at least 11 first team players out injured by September, they had to use a lot of the U21s, Academy and U18s players and by November had lost 12 games in a row, drew three and won just one game. Towards the end of the season, they strengthened the squad but it was too late to avoid relegation.

For the 2017/18 season, Bridges kept a few of the best of the players from the previous season and strengthened the team with more experienced players in the hope of promotion once again. Having dispensed with the services of Simon Wormull, Paul Hammond and Danny Lee from the coaching team and folding the Academy team, Bridges also strengthened the management team with the additions of the experienced ex-Bridges player, Martin Dynan as Assistant Manager, and UEFA 'A' licensed Coach, Marc Wardley.

That season turned out to be an extremely tough one with every team wanting to beat us. However, Bridges accomplished what they set out to do by gaining promotion back to the Isthmian League having finished second place in the Southern Combination League Premier Division, just one point behind the winners, Haywards Heath Town, and despite having only lost 3 games all season.

After serving 25 years with the Club as a manager, Paul Faiil stood down as First Team Manager for the 2018/19 season in order to concentrate on his role as Club Chairman, and handed the management reins over to Martin Dynan, assisted by Liam Collins alongside Keith George. He also recruited a new U23s manager in Oliver Saunders, another UEFA 'A' licensed coach, to work closely with the First Team in developing both the U23s and U18s. After losing 8 out of 12 League games by the end of November, as well as being knocked out of all four cup competitions (FA Cup, FA Trophy, League Cup and Sussex Senior Cup), the future looked bleak for Martin Dynan. However, the team then went on an unbeaten run in December, earning Martin the League's Manager of the Month Award. Unfortunately, that didn't last and Martin's demise was inevitable by the end of February, having lost 8 of the last nine games with relegation looming. Paul Faiil stepped in for the remaining 9 games of the season attaining 4 wins, 2 draws and 3 losses – enough for a 14th place finish and 14 points clear of relegation.

Paul remained as Manager, ably assisted by Keith George and coached by Jamie Crellin who played for the Club for five seasons, but sadly had to hang up his boots after sustaining an ankle injury early in the 2018/19 season, after making 164 appearances for the Club. Oliver Saunders remained as U23s Manager, assisted by Tom Hayward who had been involved with the U18s as both Assistant Manager and Manager over the previous four seasons, while First Team player, Brannon O'Neill, was appointed as U18s Manager. Sadly Oliver decided to move to South Park as First Team Coach in November 2019, following Martin Dynan's appointment there so Tom was appointed as U23s Manager for the remainder of the season. For the 2020/2021 season, the only change was a new manager for the U23s (Development Squad) with Ryan Gayler appointed as Manager and Tom Hayward becoming Vice Chairman.

2021/22 saw Jamie Crellin take over as First Team Manager, with Danny Lee (former Academy manager) returning to the club to join Jamie in the dugout as assistant manager. The U23s were disbanded but we had an additional U18s (all U16s) playing in the Southern Combination Football League on Sundays but this year playing in the U17s division.

Unused Subs: M. Bromage; J. Stone

If only games lasted just sixty minutes sometimes! Bridges had competed well for the first hour of their trip to League leaders Ramsgate, but a couple of significant substitutions by the home side preceded a sudden collapse by the visitors with their defence suddenly looking vulnerable.

The game started encouragingly for Bridges with Kieron Pamment firing into the side netting following an astute pass by Noel Leighton, and Billy Irving seeing a drive pushed away by Josh Bexon – and this was all with only 90 seconds played!

However, Ramsgate showed their ruthlessness with 9 minutes on the clock as a low cross from Josh Ayayi was pushed in at the far post by **ASHLEY MILLER**.

Kevin Rivera fired over from Pamment's cross and Leo Anderson saved well from Kane Rowland as the game swung from end to end. When Rivera tried to get between four defenders, as he brilliantly got himself into the box after 21 minutes, the inevitable foul led to **BRANNON O'NEILL** netting the equaliser from the penalty spot.

The excellent Jack Paxman came close from long distance and Rowland headed just wide, but five minutes into the second half Bexon was forced to a good save at the near post from O'Neill but all Bridges' good work eventually came to nothing as Ramsgate scored twice in as many minutes shortly after making their double substitution. There seemed little danger as the ball deflected upwards in the general direction of Bridges' goal in the 66th minute, but the game seemed to go in slow motion as no one in the Bridges defence reacted, leaving **KANE ROWLAND** an easy stab home.

More indifferent marking came when **JAMIE COYLE** headed home at the far post as a corner came over and it was another corner in the 77th minute that saw **TUAN JADAMA** head home, this time at the near post.

A late effort by Pamment was eventually held by Bexon, but Bridges were left to rue an indifferent final half hour of a game they had seemed to have in control.

CHATHAM TOWN

The club was formed in 1882 as Chatham United, when Rochester Invicta merged with the football team of the Royal Engineers Band with the intention of creating a side that was capable of holding their own with the best in the country. Harry Hobart's plan being to bring together all the best players in the Medway Towns in one team. They played their first match on 7th October that year, beating Harley Street F.C. 4-0. Owing to their strong Army connections, Chatham soon moved to a regular home on "The Lines", where they were to remain until 1889 - the beginning of season 1889/90 seeing them move to "Alderman Winch's Enclosed Ground", or as it is now better known, the Maidstone Road Ground.

Having been formed with an eye to competing in the FA Cup, they went on to reach the Quarter-Finals in 1888-89 - famously defeating Nottingham Forest after two replays, only to lose to the holders West Bromwich Albion. This game, which was played on "The Lines" where an admission fee could not be charged owing to Army regulations, was instrumental in the decision by the Football Association that all future matches in the competition must be played on fully enclosed grounds, where the visiting club would receive a share of the gate money.

In 1894 Chatham were founder members of both the Southern League and the original Kent League, becoming the first winners of the latter competition. They were also winners of the Kent F.A. Badge in the three seasons it was contested, and the first winners of its successor, the Kent Senior Cup, in 1888/89. They also became the first club to win the Thames and Medway Combination, the direct predecessor of the present Kent League, in 1896/97.

Chatham were forced to resign from the Southern League during the 1900/01 season, owing to financial difficulties, but they soon rebuilt the club - playing as Chatham Amateurs for a brief spell in 1901 - before winning both the Kent League and Thames & Medway Combination in 1903/04 without losing a single game in either competition. They repeated the feat the following season, losing just three games, whilst also defeating Sittingbourne 3-1 in the Final of the Kent Senior Cup.

The First World War brought an end to football in the Medway Towns, but Chatham were one of the first clubs locally to return to action in 1919 - winning both the Kent Victory Cup and the Chatham Charity Cup (for the eighth time) in a shortened season. They briefly rejoined the Southern League in 1920/21, after the formation of a Third Division for the Football League had taken half its' members, but once again withdrew at the end of the season finding that the increased travel costs were a severe drain on finances.

They once again had some success in the FA Cup during the 1920s, reaching the Second Round Proper in 1926/27 before losing to Norwich City - who beat them again, this time in the First Round Proper in 1928/29. They also reached the First Round Proper in 1925/26 and 1927/28, losing to Sittingbourne and Kettering Town respectively. A third spell in the Southern League, starting in 1927/28 almost finished the club. They stuck it out for two seasons this time, but once again the increased expenses - coupled with dwindling attendances - saw them drop back into the Kent League. Things were to get progressively worse, and 1933/34 saw the club take voluntary relegation into Division Two of the Kent League, which they won in 1934/35 without accepting promotion, before opting to revert to Amateur status. Having played in both the Kent League and Kent Amateur League in 1938/39, they decided to play in just the latter competition the following season - only to see all football suspended with the beginning of World War Two. They played just one game that season, beating London Paper Mills 2-0 on 26th August - and would not play again until 1946.

Post War, Chatham won the Premier Division of the Kent Amateur League in 1946/47, which was to be their last honour under that name - having previously dropped the 'United' in 1898. On 7th January 1947 they merged with Shorts F.C., the combined club taking the name Chatham Town at the request of the local Council, and a place in Division One of the Kent League for the following season. There they were to remain until the League disbanded in 1959, whereupon they moved to the newly formed Aetolian League. During this latter period they appeared in the Aetolian League Cup Final in each of the five seasons it was contested, though winning only once in 1962/63. The following year they finally captured the League Championship, as well as the Aetolian/London League Cup and then, when the Aetolian League formally merged with the London League they moved to the Metropolitan League, in 1964/65, in search of stronger opposition.

Although the club were drawing crowds of up to 1,000 playing against strong Non-League opponents as well as sides from Arsenal, Tottenham Hotspur and West Ham United, they lost no time in returning to the Kent League when it was reformed in 1968. Up until their return to the Southern League in 1983, they had won the Kent League on four further occasions, completing the League and Cup double in both 1971/72 and 1977/78.

For a brief period during the seventies they changed their name to Medway F.C., again at the request of the local Council, but happily reverted back to Chatham Town in 1979. In 1980 they achieved their biggest post-war success to date in winning the Eastern Professional Floodlight League, playing against some of the strongest Non League clubs of the day, including Maidstone United, and defeating Chelmsford City in the Final over two legs.

In 1983 Chatham returned to the Southern League for the fourth time, this time staying there until 1988, when having failed to gain re-election they were relegated back to the Kent League - once again in severe financial difficulties, with crowds often in double figures against poorly supported clubs, as opposed to the much healthier attendances they had enjoyed in the Kent League against more local opposition.

After struggling during their first couple of seasons back in the Kent League, the real turnabout in the clubs' fortunes came with the appointment of popular former player John Adams as First Team manager, however despite reaching the Third Qualifying Round of the F.A. Cup in 1993/94, taking the club to the Final of the Kent Senior Trophy in 1995/96 and finishing in the top three of the Kent League for three successive seasons, he was dismissed by the club following a disastrous start to the 1996/97 season.

1997/98 was to prove one of the most difficult seasons in the club's history. Problems with a new drainage system meant that only a handful of games could be played at Maidstone Road - which led to a brief return to their "spiritual home" on the Lines, courtesy of the Royal Engineers, as well as a brief ground-share with Gillingham at Priestfield Stadium. The club returned home for the 1998/99 season under new manager Carl Laraman, fortunes improving immediately before in January Laraman left to take up a coaching position at Charlton Athletic. His assistant, Steve Hearn, was appointed player-manager and finally led the club to the Kent League Championship, and promotion to the Dr. Martens League, in 2000/01.

The club enjoyed a good start to their first season back at this level, but a poor run of results at the end of the season led to Steve Hearn's resignation and the appointment of his assistant Peter Coupland as his successor. After a bad start to the 2003/04 season, Clive Walker replaced Coupland. Things improved dramatically, and a season that had looked certain to end in relegation, ended instead with Chatham in a mid-table position.

CHATHAM TOWN

The 2004/05 season saw Chatham being placed in the newly formed Southern League Eastern Division. The campaign got off to a promising start, with Chatham sitting as high as fourth in early October, however a poor run of results coupled with Clive Walker's decision to return to his old club Dover Athletic, saw the Chats slip to 16th. Assistant Steve Binks was appointed manager and results improved towards the tail end of the season. Chatham finished the season in 11th place, and was Kent's highest placed club.

Following yet another Pyramid reshuffle, the next few seasons saw the club ping-pong between the Ryman League North and South Divisions with regular mid table positions. Frustratingly the club experienced regular wins against top six and promoted sides but often followed up with defeats to bottom six sides. Season 2006/07 saw Phil Miles - another popular former player - move up to take over as Manager. December 2007 saw Phil stand down due to work commitments with Steve Binks taking over the job again, then to be followed by 1st team coach Alex O' Brien stepping up for the 2009-10 campaign. Throughout this period the club's strong youth policy provided several new established first team players and the club also achieved the coveted FA charter Standard award.

Season 2010-11 saw the club struggle on the pitch with Manager Paul Foley resigning in the final weeks of the season with Player coach Kevin Watson taking over. After achieving some great results Kevin was appointed to his first Managerial position at the age of 30 after four seasons Kevin resigned following a run of poor results but left the club with a legacy of some very good players for the new incoming Manager Kevin Horlock in October 2015, Kevin stood down at the end of the season due his commitments with Colchester United, Tony Beckingham took over in the Summer of 2016, the club now back playing in Division 1 South of the Ryman League, for their second season, after four seasons in the North, Tony stood down as Manager in September 2016, Darren Anslow took over as Manager, after suffering some heavy defeats, Darren was relieved of his duties in November 2016 and Paul Piggott was installed as Manager.

Despite a number of changes within the squad and some encouraging performances toward the end of the season, the damage had already been done and Paul and his team were unable to avoid the drop and The Chats were relegated to the SCEFL Premier. Despite this, changes at boardroom level revitalised the atmosphere around the club and a number of ground improvements have been undertaken as the first step in what will hopefully be a new era of success for the club.

Following a disappointing start to the 2017/18 season and only 1 win in 8 league games, a management change was again instigated with Paul and his team being replaced in September 2017 with James Collins. James and his team improved the fortunes of the team immediately and within a few games had staved off the threat of relegation. 2 quarter final cup appearances were achieved, losing both on penalties. Despite a disappointing 16th place finish, there was room for optimism as exciting signings during the close season built a team that promised an interesting 2018/19 season.

And so it proved, an exciting league campaign saw the team go close but just fall short with a fourth placed finish but a double cup winning season saw The Chats win their first trophies for 30 years with the Kent Senior Trophy and the SCEFL challenge Cup finding their way back to Maidstone Road.

Vast close season changes saw a 4G artificial pitch laid and yet more improvements to the clubhouse take place, that coupled with links to local businesses and partnerships to develop sporting legacies has made it an exciting time to be part of Chatham Town FC.

Following the resignation of James Collins in October 2019, the club turned to Scott Lindsey to take The Chats onwards.

Scott brought in ex Chats player Darran Smith as his assistant, whilst retaining the experienced Tony Hine as goalkeeper coach. Ex Arsenal Carl Laraman was installed as Director of football and so, yet another chapter in Chatham Town's rich history began.

Winning community club of the year in 2020 was a huge honour for everyone at the club and one on which we hope to build as we feel it is vitally important to connect with people and businesses in the locality and to build a club with facilities that benefit everyone in the community.

Scott Lindsey left the club prior to the 2021/22 season after he was appointed assistant manager at Swindon Town FC, Chairman Kevin Hake took over as manager and guided us to promotion at the first attempt, with a step 5 record goal tally and a record goal difference.

During this season Chatham Town also received the Queens Award for our work in the community of which we are immensely proud as we feel that work off the pitch is just as important and goes hand in hand with the progress on it.
