FROM THE CHAIRMAN

As we step into the fresh beginnings of another year, I extend my warmest wishes to each one of you for a joyous and prosperous New Year. I hope the festive season was delightful and that Santa fulfilled your wishes.

Every New Year ushers in its own set of challenges and opportunities, and for our football club, this year is no different. A significant milestone awaits us as we anticipate the outcome of our application for the 3G pitch. Should we succeed, it would mark a transformative era for our club. This advancement would not only enhance our training facilities for all youth teams, both boys and girls, but also provide a comfortable viewing experience for parents from our clubhouse. This could be a pivotal moment, a dream realized for our club.

However, we must also prepare for the alternative scenario. Should our application not be successful, we will face familiar financial challenges. This reality underscores the importance of drawing spectators to our games. A notable mention is our matches against esteemed teams like Burgess Hill, which consistently attract commendable crowds.

The New Year is also an opportune moment to express gratitude to our sponsors, whose support is invaluable. Our main sponsors, like McDonald's and Vines BMW, have been pillars of strength, but the contributions of our youth team sponsors are equally commendable. Often, these sponsors are individuals connected to our players, investing not for profit but out of sheer passion and support for youth sports. Their commitment, often a considerable financial undertaking, does not go unnoticed.

Additionally, our match day and ball sponsors, including today's sponsor, American Pathways, deserve special thanks. Their generosity at every home game is a testament to their support for our club.

As we celebrate the New Year, it's also a time to appreciate the myriad individuals who contribute to our club's success. Our volunteers and staff often work behind the scenes, performing essential yet often unacknowledged tasks. Their dedication is the backbone of our club.

This year, our on-field players have been exemplary, a reflection of the exceptional leadership and strategy of our management team, arguably the best in the league (In my opinion). Their efforts have not only brought us success but have also been a source of immense enjoyment for all of us.

As we gather today, let's relish the spirit of competition and sportsmanship that defines a great football match. Here's to enjoying a thrilling game between two remarkable clubs.

Here's to a fantastic 2024, full of hope, success, and outstanding football. Let's make this year one to remember!

Warm regards,

Paul Faili

WE NEED YOUR HELP?

We have decided to create this Crowd-fundraiser page because we are now on the last leg of our journey and we desperately need this extra boost of funds to get us over the finish line.

Our financial goal for this project is ambitious and comes with a hefty tag of £1,084,000. We have set our sights on raising the amount of £150,000 to make this dream a reality. We have already raised a large sum of this amount, thanks to the wonderful and incredible efforts of our community, we have managed to hit the £60,000 mark. Help us make a difference. Every pound you contribute brings us closer to a facility where every child can train, regardless of the weather. It will be a place where future champions are made, where children will learn to rise and fall, where best friends are made for life and where our community will thrive on forever.

HISTORY OF THREE BRIDGES FC

Founded in 1901, Three Bridges joined the Mid Sussex Football League in 1902 and were Champions of that League for the first time in the 1907/08 season. Their first major success came in 1933/34, when they won the Sussex Junior Cup, and sundry other minor honours came their way before they joined the Sussex County Football League in 1952/53, and two years later were crowned Second Division Champions.

In 1962/63 they won the Division Two Invitation Cup and in 1968/69, 1973/74 and 1979/80 were Second Division Runners Up. 1970/71 produced an against-the-odds triumph when winning the League's Invitation Cup against Southwick (3-2). The 1980s heralded a run of successes, starting with reaching the last 16 of the FA Vase for the first time in 1981/82 before losing at Molesey (1-2). A season later they made it to the last 32 but also won the Sussex RUR Charity Cup for the first time, beating Hastings Town 3-2. Another year on saw them finish runners up in the Thorn EMI National six-a-side tournament, winning a set of floodlights. 1985/86 saw them finish as County League Division One runners up, a feat they repeated in both 1987/88 (when they also won the RUR Cup again) and 1988/89. A fire destroyed their clubhouse in 1993 which re-focused their priorities and ultimately resulted in relegation in 1996/97. They won the Division 2 League Cup a season later and then finished runners up in Division 2 to regain Division 1 status. They were RUR Cup runners up in 2003/04 and then winners of that same prestigious trophy in 2007/08. In season 2010/11 hopes were high when they started by winning their first nine League games, but eventually finished the season in 5th place. However they did win the John O'Hara League Challenge Cup for the first time that season, beating Rye United 2-1, a tremendous feat that they achieved again in 2011/12, this time AFC Uckfield being defeated 2-1. It looked like being another tough League campaign when they lost four of the first nine matches, but then lost only one of the remaining 29 games, which was concluded by beating Championship rivals Rye United 1-0 at home on the final day of the season! This tremendous run meant the club had achieved its ambition and become Sussex County Football League Champions. With a superb run in the FA Vase too, losing in the last 32 on a penalty shoot-out with Derbyshire side, Gresley FC, the 2011/12 'Double' season had undoubtedly been the best in Three Bridges' history.

Their first season in the Ryman Isthmian Football League South Division saw them struggle for much of the time. However, having been 10 points adrift at the bottom of the table in mid-February, they went on a run of 11 matches that produced 7 victories, 2 draws and just 2 defeats, earning them Team of the Month Awards in both March and April as a result. It meant that they survived the drop, but their second season in the Ryman League saw them struggle at times again but some key signings midway through the season helped them to 19th place. The 2014/15 season saw an even greater improvement with a healthy mixture of youth and experience guiding them into 7th position and, whilst they were happy to score 94 League goals, they were less than happy about the 95 they conceded! They improved their defensive record in conceding 67 goals in season 2015/16 but only scored 59, hardly helped by long-term injuries to strike partners Allan Tait and Tony Garrod. With 66 points, they slumped to 14th position, although they only accumulated 6 points fewer than in the previous campaign!

Bridges maintained most of that season's squad for the 2016/17 campaign. However, with at least 11 first team players out injured by September, they had to use a lot of the U21s, Academy and U18s players and by November had lost 12 games in a row, drew three and won just one game. Towards the end of the season, they strengthened the squad but it was too late to avoid relegation. For the 2017/18 season, Bridges kept a few of the best of the players from the previous season and strengthened the team with more experienced players in the hope of promotion once again. Having dispensed with the services of Simon Wormull, Paul Hammond and Danny Lee from the coaching team and folding the Academy team, Bridges also strengthened the management team with the additions of the experienced ex-Bridges player, Martin Dynan as Assistant Manager, and UEFA 'A' licensed Coach, Marc Wardley. That season turned out to be an extremely tough one with every team wanting to beat us. However, Bridges accomplished what they set out to do by gaining promotion back to the Isthmian League having finished second place in the Southern Combination League Premier Division, just one point behind the winners, Haywards Heath Town, and despite having only lost 3 games all season. After serving 25 years with the Club as a manager, Paul Faili stood down as First Team Manager for the 2018/19 season in order to concentrate on his role as Club Chairman, and handed the management reins over to Martin Dynan, assisted by Liam Collins alongside Keith George. He also recruited a new U23s manager in Oliver Saunders, another UEFA 'A' licensed coach, to work closely with the First Team in developing both the U23s and U18s. After losing 8 out of 12 League games by the end of November, as well as being knocked out of all four cup competitions (FA Cup, FA Trophy, League Cup and Sussex Senior Cup), the future looked bleak for Martin Dynan. However, the team then went on an unbeaten run in December, earning Martin the League's Manager of the Month Award. Unfortunately, that didn't last and Martin's demise was inevitable by the end of February, having lost 8 of the last nine games with relegation looming. Paul Faili stepped in for the remaining 9 games of the season attaining 4 wins, 2 draws and 3 losses – enough for a 14th place finish and 14 points clear of relegation.

Paul remained as Manager, ably assisted by Keith George and coached by Jamie Crellin who played for the Club for five seasons, but sadly had to hang up his boots after sustaining an ankle injury early in the 2018/19 season, after making 164 appearances for the Club. Oliver Saunders remained as U23s Manager, assisted by Tom Hayward who had been involved with the U18s as both Assistant Manager and Manager over the previous four seasons, while First Team player, Brannon O'Neill, was appointed as U18s Manager. Sadly Oliver decided to move to South Park as First Team Coach in November 2019, following Martin Dynan's appointment there so Tom was appointed as U23s Manager for the remainder of the season. For the 2020/2021 season, the only change was a new manager for the U23s (Development Squad) with Ryan Gayler appointed as Manager and Tom Hayward becoming Vice Chairman. 2021/22 saw Jamie Crellin take over as First Team Manager, with Danny Lee (former Academy manager) returning to the club to join Jamie in the dugout as assistant manager. The U23s were disbanded but we had an additional U18s (all U16s) playing in the Southern Combination Football League on Sundays but this year playing in the U17s division.

This season sees Brannon O'Neill appointed as Assistant Manager following Danny Lee's departure and Joe Kay joining as First Team Coach.

Booked – Martin (22), Reardon (44), Lamont (58), Hall-Anderson (83).

Referee : Gerry Heron.

Bridges completed a rare derby double over East Grinstead, who have had a reputation as something of a 'bogey' side to the home team over the years. And it looked as if that streak might continue in the early stages as Kevin Rivera saw his smart shot hit both the post and crossbar before being cleared, this being followed after thirteen minutes by **Tom Cadman** poking the visitors ahead when he took advantage of some rather sloppy defending.

Noel Leighton was just wide two minutes later, but it took Bridges until the 24th minute to level when debutant Anthony Adesite laid the ball back for **Ibrahim Jalloh** to hit a thunderous volley and thus make another claim for Goal of the Season when the awards are handed out at the end of the campaign.

He might even have outdone himself with another blinding effort six minutes before the interval, but this time the post intervened and the sides went in level at half time.

Bridges stepped up a gear after the interval with Jalloh constantly getting the better of Cameron Reardon, and almost inevitably it was his 50th minute cross that led to **Harvey Woollard** meeting the ball at the far post to nudge the homesters in front. And it got even better three minutes later when Rivera was fouled in the area, giving **Jalloh** the chance to net from the spot.

Kiye Martin suffered a knock during this spell and eventually came off looking very distressed, holding both his head and his side, but credit to the Wasps for never giving up and not feeling sorry for themselves. But the game probably turned against them after 72 minutes when Brannon O'Neill threaded a perfect through ball (if there was an award for Pass of the Season, this would indeed be a contender!) and **Leighton** ran on to beat Matte Pierson for the fourth.

Pierson often acted in virtually a sweeper role as Grinstead continued to mount attacks with substitute Matt Daniel looking particularly sharp, and after 78 minute they too won a penalty when Jasper Sheik was late with his challenge. **Jerson Dos Santos** netted comfortably, but his team failed to make further inroads and it needed an excellent block by Pierson's foot to prevent Rivera from making it a nap hand for Bridges.

Bridges Man of the Match - **Ibrahim Jalloh**.

BURGESS HILL TOWN

Burgess Hill Football Club was founded in 1882 and was a founder member of the Sussex County Football Association. The club attained the unique achievement of winning the Sussex Senior Cup three years running thus retaining it permanently in the process. The cup is on display in the trophy cabinet in the club boardroom. The current trophy was presented to the S.C.F.A. by Burgess Hill Town Football Club. In 1998 the club reached the Senior Cup final for the first time in 110 years but were narrowly beaten 2–1 by Hastings Town. In the club's formative years they were also founder members of the Mid-Sussex Football League, and won the League Championship in its inaugural season.

Following several successful seasons the club joined the Sussex County League for the 1958–59 season, and stayed until attaining promotion to the Southern Football League in 2003. In 1969 the club amalgamated with Worlds End F.C. and with the help of Burgess Hill Town Council were able to move to Leylands Park, the club's current home. In 1971, the club gained promotion to Division One, only to be relegated two seasons later. 1974 saw the 'Hillians' reach another landmark achievement by becoming the only club ever to have won both the League Challenge Cup and the Division Two Cup in the same season. In 1976 a hat trick of achievements were completed by winning the Division One Championship by six points, having secured the Division Two title the previous season.

During the ensuing twenty years in the top flight of the County League success was modest. In 1980 the League Challenge Cup was secured and in 1992 the RUR Cup was added. However, all this changed in season 96–97 under the guidance of club manager, Alan Pook. The club became Division One champions by twelve points, won the Floodlight Cup, and were runners up in the League Challenge Cup. The 2nd XI finished runners up in the Reserve Premier and won the Mid-Sussex Charity Cup, while the Youth XI won their overall championship. In 1997–98, the club 1st XI attained even more success by again winning the League Championship and the League Challenge Cup, also reaching the last sixteen in the F.A. Vase.

Additionally they reached the Sussex Senior Cup Final and were top of the county's merit table. The Youth XI also finished as 'Double Champions' in the sector.

1998–99 season saw the Hillians achieve a unique treble in winning the Championship for a post war record third time and again securing a league and cup double, back to back. The 2nd XI won their cup and were runners up in the league, missing out by a single point. Not to be out done, the Youth XI won their league and only missed out on a double by goal difference. All in all an historic season.

The club then welcomed new manager, Gary Croydon for season 1999–2000. He led the Hillians to take runners' up spot in the league and to a record fourth qualifying round FA Cup tie against Hereford United. Again, a last 16 place was achieved in the FA Vase as well as winning the RUR Cup and the Floodlit Cup.

The new millennium season saw Hillians take the league championship with the team remaining unbeaten in the league until April; the Club also had its best ever run in the FA Vase only being beaten after extra time by eventual finalists Tiptree United in the last eight, before a then club record attendance of 1598.

With plans being laid for Southern League football, club directors, Gary Croydon and Eddie Benson appointed Danny Bloor as manager for season 2002–2003. The club was rewarded with yet another championship crown, the fifth in seven seasons.

Gary Croydon took over the Hillians again as the club entered the Southern League for the first ever time. After just missing out on the play offs, Burgess Hill Town moved over to the Isthmian League due to the restructuring of the non-league pyramid.

For the next few years the Club established itself as a Ryman League club with a few mid table finishes and twice just avoiding relegation.

In 2012/2013 there was an upturn in the Hillians fortunes. The Club returned to their original green and black colours. Former Brighton & Hove Albion player and coach Ian Chapman was appointed as Manager and he guided the Hillians to eighth place in the table.

2013/14 saw the Hillians achieve their highest ever finish in the Football pyramid, finishing sixth in the table and just missing out on the play offs by one point. The newly formed Under 21 side finished third in the Ryman U21 League whilst the Youth Team, under former favourite Ashley Carr, had their most successful season ever. They won the Ryman Youth League and the Ryman Youth Champion of Champions whilst also lifting the Sussex County Youth Cup. Two Ladies teams were also introduced as part of Burgess Hill Town FC and they enjoyed mid table finishes in their first season.

2014/15 saw the Club enjoy the greatest season in the Club's History. Ian Chapman's side were unbeaten in the league until mid - March and went on to win Ryman League Division One South title by 11 points and gain promotion to the Ryman Premier League for the first ever time. They also equalled their best - ever FA Cup run, eventually losing away to Dartford in the 4th qualifying round but having gained a memorable 3-1 victory at Sutton United in the previous round. In the FA Trophy, the club reached the 2nd round, finally losing at home to Dartford FC. In the previous round the team had beaten Aldershot Town of the National League 1-0 away.

A confident start to the Hillians first season in the Isthmian Premier Division before Christmas saw the team 8th in the league, but a disappointing second half saw them finish in 20th position. The club avoided relegation due to Farnborough FC being relegated for financial irregularities. The following two seasons saw the Hillians avoid relegation on the last day of the season to keep its Isthmian Premier status although the next season the Club were relegated and returned to the Isthmian League Division One South where after a few covid hit years have remained since.

Last season saw Burgess Hill take four points from Bridges. A goal-less draw here on 2nd January 2023 was followed on 10th April with a 2-1 victory for the Hillians at Leylands Park with, inevitably, Dan Perry getting a late winner for the home side. Bridges' scorer that day was Joe Tennent.

We have already met Burgess Hill this season in the second Round of the Velocity Cup on 12th September. A young Hillians side made us work hard for our 3-2 victory, in which Noel Leighton scored twice and Ethon Archer netted once.

Our away League game against them is scheduled for Easter Monday, 1st April 2024.

TODAY'S SPONSOR

American Pathway is a US Pathway programme to the US Collegiate education system focussing on the experience of the Student Athlete.

Typically, boys and girls would look to complete their education and apply to universities independently, which is a lengthy process. For students looking to combine their education with a football (Soccer) programme they are often required to embark on a lengthy and potentially expensive journey of travel to US based ID Camps, with no guarantee of quality, exposure or outcome.

American Pathway not only brings the US ID Camp to the UK, it brings the coaches and the agencies.

American Pathway will be joined at their camps by a minimum eight fully qualified, US Soccer coaches flown over specifically from the US who will assist in the training and an analysis of the players over the two days. Their role will be to assist with the coaching, Q&A on the US College system and ultimately to spot talent to recommend to their own college and other Colleges who will be sponsoring their involvement.

Each Coach will assess their players and provide written feedback and recommendations to the players following the Training camp. All sessions are filmed and that film is available to coaches and players alike. The courses are fully insured and we will have our own medical staff, physios and trainers on hand at all times.

We provide an ID Camp which is unrivalled in the UK and allows the students to be coached and watched, so recommendations can be offered to all the students on their US pathway. With over 4,000 US colleges in the United States our company is at the heart of providing the advice and expertise to ensure that each student will be able to experience a typical day with a US coaching programme and set their expectations in the Classroom with regards to the qualifications needed to receive a scholarship in the US at one to the TOP D1, D2 or D3 Universities.

Our days typically run from 0900am with registration from 0800 onwards and we then finish the day, with a presentation and close by 4.00pm.

We align ourselves with the best facilities hence we run our camps twice a year working with partners who will offer the quality of service aligned to our brand.

We are dedicated to offering a quality service and success for all of our students to fulfil their ambition to study and play Football in the US.
