CHAIRMAN'S CHATTER

As we gather for today's match, I am filled with pride and excitement. Reflecting on our recent achievements, it's hard to believe that just last week, our team achieved an extraordinary feat – scoring 14 goals and conceding only three in a span of eight days. It's a testament to our hard work and determination, particularly considering the modest expectations set for us at the season's start.

The atmosphere at our club is electric, a mix of excitement and astonishment. Standing higher in the league than ever before, we are thrilled to host Ramsgate, a formidable opponent and a strong contender for the league title. It's an honour to welcome them and their fans to our ground.

I extend my sincerest congratulations to Ramsgate Football Club for their impressive performance in the FA Cup. Their journey was not only a triumph for them but also a source of pride for our entire league. It showcased the high quality of football that teams at our level can achieve, and I anticipate that today's match will be no exception.

This week also brought fantastic news for TBFC – our plans for a new 3G pitch have made significant progress, receiving unanimous support at the council planning meeting. This step forward is not just about football; it's a recognition of our club's dedication to youth development and community engagement. I'm grateful to everyone involved in making this a reality, from our wonderful team to our supportive community.

However, the journey to complete our 3G pitch continues, and we still face financial challenges. I encourage everyone to visit our website to learn more and consider contributing to this vital project.

In these moments of success, we remain humbly aware that our current run may not last forever, but we're determined to enjoy every moment. We share this sentiment with our friends at Ramsgate, who are equally savouring a remarkable season.

Today is about celebrating football and community. Regardless of the outcome, let's appreciate the game, the camaraderie, and the unwavering support of our fans. Our bar is open, the grills are sizzling, and we're set for a fantastic match. Here's to a great day of football for everyone!

Thank you for your incredible support.

Warm regards,

Paul Faili
Chairman, TBFC

It's a different type of Match Ball Sponsorship for today's game as we will be hoping that you can dip into your pockets and donate to the Crawley Free Shop, The Easter Team and Crawley Open House. Thanks largely to Tom Fry for organising this.

HISTORY OF THREE BRIDGES FC

Founded in 1901, Three Bridges joined the Mid Sussex Football League in 1902 and were Champions of that League for the first time in the 1907/08 season. Their first major success came in 1933/34, when they won the Sussex Junior Cup, and sundry other minor honours came their way before they joined the Sussex County Football League in 1952/53, and two years later were crowned Second Division Champions.

In 1962/63 they won the Division Two Invitation Cup and in 1968/69, 1973/74 and 1979/80 were Second Division Runners Up. 1970/71 produced an against-the-odds triumph when winning the League's Invitation Cup against Southwick (3-2). The 1980s heralded a run of successes, starting with reaching the last 16 of the FA Vase for the first time in 1981/82 before losing at Molesey (1-2). A season later they made it to the last 32 but also won the Sussex RUR Charity Cup for the first time, beating Hastings Town 3-2. Another year on saw them finish runners up in the Thorn EMI National six-a-side tournament, winning a set of floodlights. 1985/86 saw them finish as County League Division One runners up, a feat they repeated in both 1987/88 (when they also won the RUR Cup again) and 1988/89. A fire destroyed their clubhouse in 1993 which re-focused their priorities and ultimately resulted in relegation in 1996/97. They won the Division 2 League Cup a season later and then finished runners up in Division 2 to regain Division 1 status. They were RUR Cup runners up in 2003/04 and then winners of that same prestigious trophy in 2007/08. In season 2010/11 hopes were high when they started by winning their first nine League games, but eventually finished the season in 5th place. However they did win the John O'Hara League Challenge Cup for the first time that season, beating Rye United 2-1, a tremendous feat that they achieved again in 2011/12, this time AFC Uckfield being defeated 2-1. It looked like being another tough League campaign when they lost four of the first nine matches, but then lost only one of the remaining 29 games, which was concluded by beating Championship rivals Rye United 1-0 at home on the final day of the season! This tremendous run meant the club had achieved its ambition and become Sussex County Football League Champions. With a superb run in the FA Vase too, losing in the last 32 on a penalty shoot-out with Derbyshire side, Gresley FC, the 2011/12 'Double' season had undoubtedly been the best in Three Bridges' history.

Their first season in the Ryman Isthmian Football League South Division saw them struggle for much of the time. However, having been 10 points adrift at the bottom of the table in mid-February, they went on a run of 11 matches that produced 7 victories, 2 draws and just 2 defeats, earning them Team of the Month Awards in both March and April as a result. It meant that they survived the drop, but their second season in the Ryman League saw them struggle at times again but some key signings midway through the season helped them to 19th place. The 2014/15 season saw an even greater improvement with a healthy mixture of youth and experience guiding them into 7th position and, whilst they were happy to score 94 League goals, they were less than happy about the 95 they conceded! They improved their defensive record in conceding 67 goals in season 2015/16 but only scored 59, hardly helped by long-term injuries to strike partners Allan Tait and Tony Garrod. With 66 points, they slumped to 14th position, although they only accumulated 6 points fewer than in the previous campaign!

Bridges maintained most of that season's squad for the 2016/17 campaign. However, with at least 11 first team players out injured by September, they had to use a lot of the U21s, Academy and U18s players and by November had lost 12 games in a row, drew three and won just one game. Towards the end of the season, they strengthened the squad but it was too late to avoid relegation. For the 2017/18 season, Bridges kept a few of the best of the players from the previous season and strengthened the team with more experienced players in the hope of promotion once again. Having dispensed with the services of Simon Wormull, Paul Hammond and Danny Lee from the coaching team and folding the Academy team, Bridges also strengthened the management team with the additions of the experienced ex-Bridges player, Martin Dynan as Assistant Manager, and UEFA 'A' licensed Coach, Marc Wardley. That season turned out to be an extremely tough one with every team wanting to beat us. However, Bridges accomplished what they set out to do by gaining promotion back to the Isthmian League having finished second place in the Southern Combination League Premier Division, just one point behind the winners, Haywards Heath Town, and despite having only lost 3 games all season. After serving 25 years with the Club as a manager, Paul Faili stood down as First Team Manager for the 2018/19 season in order to concentrate on his role as Club Chairman, and handed the management reins over to Martin Dynan, assisted by Liam Collins alongside Keith George. He also recruited a new U23s manager in Oliver Saunders, another UEFA 'A' licensed coach, to work closely with the First Team in developing both the U23s and U18s. After losing 8 out of 12 League games by the end of November, as well as being knocked out of all four cup competitions (FA Cup, FA Trophy, League Cup and Sussex Senior Cup), the future looked bleak for Martin Dynan. However, the team then went on an unbeaten run in December, earning Martin the League's Manager of the Month Award. Unfortunately, that didn't last and Martin's demise was inevitable by the end of February, having lost 8 of the last nine games with relegation looming. Paul Faili stepped in for the remaining 9 games of the season attaining 4 wins, 2 draws and 3 losses – enough for a 14th place finish and 14 points clear of relegation.

Paul remained as Manager, ably assisted by Keith George and coached by Jamie Crellin who played for the Club for five seasons, but sadly had to hang up his boots after sustaining an ankle injury early in the 2018/19 season, after making 164 appearances for the Club. Oliver Saunders remained as U23s Manager, assisted by Tom Hayward who had been involved with the U18s as both Assistant Manager and Manager over the previous four seasons, while First Team player, Brannon O'Neill, was appointed as U18s Manager. Sadly Oliver decided to move to South Park as First Team Coach in November 2019, following Martin Dynan's appointment there so Tom was appointed as U23s Manager for the remainder of the season. For the 2020/2021 season, the only change was a new manager for the U23s (Development Squad) with Ryan Gayler appointed as Manager and Tom Hayward becoming Vice Chairman. 2021/22 saw Jamie Crellin take over as First Team Manager, with Danny Lee (former Academy manager) returning to the club to join Jamie in the dugout as assistant manager. The U23s were disbanded but we had an additional U18s (all U16s) playing in the Southern Combination Football League on Sundays but this year playing in the U17s division.

This season sees Brannon O'Neill appointed as Assistant Manager following Danny Lee's departure and Joe Kay joining as First Team Coach.

Referee : Adrian Harris.

Having conceded eleven goals in three away games, Bridges showed that home is where the heart is as they plundered their second six goal tally in two games inside five days! Three players grabbed a brace, although it seemed as though Erith keeper Jordan Perrin would be the hero as he made excellent saves from Camron Lawson, Ibrahim Jalloh, Noel Leighton and Dan Ferreira all in the first ten minutes.

But Bridges deservedly went ahead after sixteen minutes when Jalloh's inviting cross from the right was met by a well timed leap and header by KEVIN RIVERA.

Erith, despite the final score line, were no mugs though, and it needed a couple of fine blocks by Jasper Sheik to deny Josh Ajayi and Cameron Andrews.

But two minutes before half time, a lovely through ball by Jalloh gave RIVERA the chance to slide the ball past Perrin. And with the game into first half stoppage time, Harvey Woollard hit the underside of the bar with a cracking shot before being upended as he chased the loose ball. Up stepped JALLOH to net from the spot with the last kick of the half.

Erith started the second half in attacking mood, but six minutes after the restart they suffered again as Rivera played the ball wide to Lawson, whose brilliant cross was met by the head of LEIGHTON.

Ten minutes later Rivera lobbed the ball over the defence and LEIGHTON finished in style. And only two minutes after that, JALLOH, who had terrorised Erith's defence regularly, lobbed a beauty that was too much even for Perrin.

But he did make another good save from Rivera, whilst Lawson and Jalloh both had late efforts blocked. At the other end Andrews was denied by Sheik, but they did grab an 84th minute consolation when a cross was met by former Bridges striker MARCUS ELLIOTT, who showed he has lost none of his predatory instincts.

Bridges Man of the Match - **Ibrahim Jalloh.**

Booked : Villavicencio (28), Jalloh (52), Difika (65).

Referee ; Jonathan Bollard.

Bridges came back from a two goal half time deficit to grab another precious point in an entertaining affair at fourth placed Sevenoaks on a sunny but chilly afternoon.

Sevenoaks looked the more likely to score in the first half, yet it was two mistakes by the visitors that helped towards their lead. Jasper Sheik had already produced two excellent saves, but after nineteen minutes an under hit back pass by the normally reliable Tresor Difika bypassed Billy Irving and left KIERON CADOGAN a simple path through to goal with even Sheik not able to intervene this time.

Bryan Villavicencio, who had a very good game in midfield, saw the chance of a swift equaliser go when his cracking strike was blocked, and there were close calls from Camron Lawson and Noel Leighton too.

But Sheik was again in action to deny Roman Liburd only for more miscommunication by his defenders which led to COREY HOLDER rifling home a beauty five minutes before the break.

The half ended with Kevin Rivera having a shot saved at the near post, but overall Sevenoaks deserved their advantage at this stage. But what a turnaround as Bridges looked sharper and quicker after the break.

Ibrahim Jalloh looked to have won a penalty only to be booked for simulation, but after 58 minutes a goalmouth scramble ended with RIVERA jabbing home, and in the 70th minute more uncertainty, this time in the home defence, saw the excellent HARVEY WOOLLARD rewarded with a deflected effort.

Both sides had winning opportunities with Jalloh only just wide from a free kick and Leighton seeing a header flash wide, but a draw was a fair result for two good footballing sides.

Bridges Man of the Match - **Kevin Rivera.**

RAMSGATE

Ramsgate is one of the largest non-League clubs in Kent, and last season fielded 78 senior and youth teams, and for 2023/24 again includes 3 for women and 10 for girls as well as 2 senior men's teams comprising the 1st Team and Under 23s. The club continues to grow and following the installation of the first fixed Panna cages at an English football stadium in 2020 replaced the pitch at Southwood with a new all-weather surface that was opened with a visit from Spurs' U23s in July 2021. The current club restarted in 1945, after the ban on football in east Kent during World War 2 was lifted, and originally called Ramsgate Athletic have played at the Southwood Stadium continuously ever since.

Ramsgate has had senior football teams within the town since the late 1800s, and despite the paucity of newspaper coverage of football on the Channel side of the Isle of Thanet in the late 19th century there are reports of Ramsgate Athletic playing at Southwood along with the principal side, Ramsgate Town, who started about 1886 (and team photos of whom exist from 1898). At this time matches were played on several pitches around the town, including the Rams' current home - Southwood. Football in east Kent closed down during the Great War and in 1919 the Southwood ground was provided for Ramsgate Town by Henry Weigall JP and Lady Rose Weigall, the club by then known as Ramsgate. In their first season they finished 3rd in the Kent FA League and reached the Kent Senior Cup final but lost to Northfleet at Maidstone 1-0 before a crowd of 10,000. In 1924 Ramsgate Town folded and Ramsgate Grenville moved to Southwood and, apart from the rise and fall of the more successful Dumpton-based Ramsgate (Press Wanderers) in the 1930s, Grenville became the senior Ramsgate side until another World War cancelled football.

Post-World War 2 honours have been many, especially in the late 1940s and through the 1950s, and again in the late 1960s and 1980s (and not forgetting the mid-2000s), Some say the 'golden period' was from 1954 to 1957, when former Scottish international Jimmy Blair was player/manager, and the Rams were back-to-back League Champions in 1955/56 and 1956/57, with a new attendance record being set in 1955/56 when 5,083 watched the derby against Margate. They also made Club history when they reached the 1st Round Proper of the FA for the first time in 1955, narrowly losing 5-3 at Watford (a record that stood for 50 years before reaching that round again). With the demise of the Kent FA League in 1959 the Club joined the Southern League, as well as the Thames & Medway Combination, and a new stand was erected on the southern side of the pitch. In 1971/72 the Club were promoted to the Southern League and changed its name to just Ramsgate, but after a decline in fortunes off the pitch the Club was relegated to Division 1 and then resigned from the League in 1976, with the 1st team taking the Reserves' place in the new Kent League. In 1998/99 the Club was eligible for promotion back to the Southern League after winning the Kent Premier League championship and the Kent FA

Senior Trophy, but decided the time was not right. This was followed with more silverware in 2000/01, winning the Kent Premier Division League Cup.

The 2004/05 season saw the Rams playing (and defeating) 4 sides from higher leagues pre-season, including old rivals Margate. In competitive football they made good progress in the FA Cup, winning at Kingstonian (2 leagues higher) before falling in the 2nd half to Dulwich Hamlet (1 league higher), whilst in the FA Vase they again reached the 3rd Round Proper. The best form was saved for the domestic season where the Rams again did the double winning both the Kent League Premier Cup and League Championship by a clear margin, and after extensive ground improvements entered Ryman 1 South in 2005. Summer 2005 saw the Rams start the new era with 2 more pieces of silverware, beating Herne Bay in the Kent League Challenge Shield and Margate in the Kent Messenger Challenge Cup. The Club reached the 1st Round Proper of the FA Cup, the only Step 4 club in the country to do so that season, equalling the Club record set 50 years earlier, but were defeated at Nuneaton. They won the League at their first attempt however, securing back-to-back promotions to the Ryman Premier Division for 2006/07. For most of their inaugural season in the Premier the Rams were settled in the 'play-off spots' and for several weeks in 2nd place, but the toll on the small squad was noticeable and they slipped to 9th place in the run-in. This meant another new record, as the Club had only managed to stay in the Southern League Premier for a single season in 1972. The 2007/08 season saw more club records being set, winning the Isthmian League Cup as well as reaching the play-offs for the Conference South. In 2008/09 an average performance dipped in the last months with relegation back to Division 1 South. Key players left to remain at the higher level, although a much younger local side avoided another drop in 2009/10 as some predicted.

Back in Division 1 the Rams usually finished around the play-offs until, after five managers in 14 months, they ended up in 21st place in 2013/14. This saw the return of Jim Ward for his 3rd spell in charge, and though the Rams were in 2nd place at Christmas the form dropped and they finished mid-table. A good start in 2016/17 didn't last and with only 1 point from 3 games over Christmas coach Lloyd Blackman replaced 'Wardie' as manager. A 10-match unbeaten run saw a mid-table finish reprieve, with Blackman confirmed as gaffer for 2017/18. In 2018/19 there were changes in chairman and despite a good run in the FA Cup (ending at NLS Hemel Hempstead in the 3rd Qualifying Round) and an 8-game unbeaten run ending in October, Blackman stepped down and ex-Sittingbourne boss and former Rams' captain Nick Davis took over. Indifferent results saw by ex-Herne Bay boss Jason Lillis appointed in October 2019, who in turn was replaced by Matt Longhurst in January 2020. After 2 years in charge, 4 losses in a row saw Longhurst replaced by former Gills coach Steve Lovell in April 2022 for the last 4 games. Although a turn around in form saw the Rams just fail to return to the play-off places, they had been in for the first 8 months of the season, Lovell was retained for 2022/23, with the Rams topping the table or sitting in 2nd for the majority of the season until after Christmas. With a dip in form Lovell was released in March, and despite improved results and the

Rams finishing as runners-up, disappointment in the play-offs resulted in a 15th season at Level 4 for 2023/24.

This season, however, they are currently sitting pretty at the top of the table, having suffered just one defeat to date, a 2-4 loss away to Sevenoaks Town. But their story of course has been with their fantastic F.A.Cup run, beating Woking 2-1 in the First Round Proper before losing on Monday night at AFC Wimbledon (0-5).

Freddie Oliver – 19-year-old midfielder who progressed from Whitstable's U18s to their 1st team in 2021/22, making his debut at Chichester in the FA Trophy. Moved to The Crabble last season and made the first of 10 1st Team appearances for Dover in the 1-0 win away against Taunton Town in the February of 2023, which also saw him named in the Kent Sport Online Team of the Week following his robust performance. Moves to Southwood for the 2023/24 campaign.

Jack Parter – 29-year-old defender from Faversham and was with Gillingham for six years as a scholar, signing a pro contract for the 2013/14 campaign, and playing in several first-team pre-season games. Joined Tonbridge Angels in the summer of 2014 before trying his luck with Welling United during the close season in 2017, but after being injured in pre-season he was sent on loan to Kingstorian before re-joining Tonbridge in September 2017. In April 2021 he left Tonbridge, after 274 appearances for the Angels and scoring seven goals, to find a club closer to home and joined Herne Bay for 2021/22.

Alfie Paxman – 25-year-old-striker who appeared in Ramsgate's youth set up, along with twin brother Jack, before studying at the Dover Academy and appearing for the senior team at Crabble. In 2010/11 he assisted Fleet with promotion, scoring 6 goals during the play-offs, and in summer 2012 moved to League One Crewe Alexandra, where injuries saw him spend time on loan at Hereford. Returned to the Fleet in 2014 but again suffered injury, while in 2015/16 he helped propel Whitehawk into the play-offs while on loan in Sussex. Moved to Chelmsford in 17/18, and then Eastbourne in 18/19, before a return to Ebbsfleet in 20/21. A loan in March '22 assisted with Herne Bay's play-off promotion followed by a transfer to the Bay in 22/23 for their single season in the Premier Division despite suffering from a hernia suffered during the play-off game against Ashford United. Now fit again he has signed for the Rams for the new campaign.

Alfie Young – 26-year-old defender who was youth team Captain at Watford where he signed professional forms but was released in August 2016 without quite breaking into the first team. Started 2016/17 at Hendon before moving on to eventual play-off semi-finalists, Wingate & Finchley. Made his debut at Metropolitan Police on the opening day of last season and scored a 'rasper' against his former club, high-flying Hendon, in late October. Moved to Worthing for 2018/19, and then to Potters Bar in October 2021 followed by Kingstorian in January 2022. Started last season at Lewes and played for them throughout the campaign, but after limited opportunities this season has now joined the Rams.
