The Isthmian League and our Member Clubs are committed to promoting equity and equality by treating all people fairly and with respect, by recognising that inequalities may exist, by taking steps to address them and providing access and opportunities for all members of our communities.

Good Afternoon everyone,

I'm delighted to welcome our friends from Littlehampton Town Football Club to Chatham today. The journey has been longer than any of us anticipated this time last year, but we at Three Bridges are immensely grateful for the warm hospitality we've experienced.

A special thank you goes out to Kev and Gary, whose incredible generosity in allowing us to share their ground has made all the difference. Their friendship has truly made us feel at home, and we deeply appreciate the support from everyone involved.

I'm excited to share that the long-awaited work on our pitch is well underway, and the progress so far has been remarkable. It's astonishing to think that over 250 lorry loads of soil have been removed, leaving our pitch looking more like a desert! Although the recent weather has caused a few delays, turning it into something of a bog, we remain optimistic.

This project has been a labour of love for Chris Irving and I, representing more than four years of planning and preparation. Now, seeing it all come together is incredibly rewarding. While we've bid farewell to a pitch filled with so many cherished memories, this step is essential as we look ahead to a bright future for the club.

I'd also like to take a moment to express my sincere gratitude to my dedicated team, who have worked tirelessly to ensure everything is in place here at Chatham. Their hard work has been invaluable.

And of course, a big thank you to the fantastic supporters from both clubs who have traveled here today. What was meant to be a nice local Sussex fixture but has turned into a slightly longer journey, but your passion and commitment to the game are truly inspiring.

Now, let's take a moment to relax and enjoy this beautiful stadium, and focus on what we're all here for—a fantastic game of football. Thank you all for being here.

A HISTORY OF THREE BRIDGES FC

Founded in 1901, Three Bridges joined the Mid Sussex Football League in 1902 and were Champions of that League for the first time in the 1907/08 season. Their first major success came in 1933/34, when they won the Sussex Junior Cup, and sundry other minor honours came their way before they joined the Sussex County Football League in 1952/53, and two years later were crowned Second Division Champions.

In 1962/63 they won the Division Two Invitation Cup and in 1968/69, 1973/74 and 1979/80 were Second Division Runners Up. 1970/71 produced an against-the-odds triumph when winning the League's Invitation Cup against Southwick (3-2). The 1980s heralded a run of successes, starting with reaching the last 16 of the FA Vase for the first time in 1981/82 before losing at Molesey (1-2). A season later they made it to the last 32 but also won the Sussex RUR Charity Cup for the first time, beating Hastings Town 3-2. Another year on saw them finish runners up in the Thorn EMI National six-a-side tournament, winning a set of floodlights. 1985/86 saw them finish as County League Division One runners up, a feat they repeated in both 1987/88 (when they also won the RUR Cup again) and 1988/89. A fire destroyed their clubhouse in 1993 which re-focused their priorities and ultimately resulted in relegation in 1996/97. They won the Division 2 League Cup a season later and then finished runners up in Division 2 to regain Division 1 status. They were RUR Cup runners up in 2003/04 and then winners of that same prestigious trophy in 2007/08. In season 2010/11 hopes were high when they started by winning their first nine League games, but eventually finished the season in 5th place. However they did win the John O'Hara League Challenge Cup for the first time that season, beating Rye United 2-1, a tremendous feat that they achieved again in 2011/12, this time AFC Uckfield being defeated 2-1. It looked like being another tough League campaign when they lost four of the first nine matches, but then lost only one of the remaining 29 games, which was concluded by beating Championship rivals Rye United 1-0 at home on the final day of the season! This tremendous run meant the club had achieved its ambition and become Sussex County Football League Champions. With a superb run in the FA Vase too, losing in the last 32 on a penalty shoot-out with Derbyshire side, Gresley FC, the 2011/12 'Double' season had undoubtedly been the best in Three Bridges' history.

Their first season in the Ryman Isthmian Football League South Division saw them struggle for much of the time. However, having been 10 points adrift at the bottom of the table in mid-February, they went on a run of 11 matches that produced 7 victories, 2 draws and just 2 defeats, earning them Team of the Month Awards in both March and April as a result. It meant that they survived the drop, but their second season in the Ryman League saw them struggle at times again but some key signings midway through the season helped them to 19th place. The 2014/15 season saw an even greater improvement with a healthy mixture of youth and experience guiding them into 7th position and, whilst they were happy to score 94 League goals, they were less than happy about the 95 they conceded! They improved their defensive record in conceding 67 goals in season 2015/16 but only scored 59, hardly helped by long-term injuries to strike partners Allan Tait and Tony Garrod. With 66 points, they slumped to 14th position, although they only accumulated 6 points fewer than in the previous campaign!

Bridges maintained most of that season's squad for the 2016/17 campaign. However, with at least 11 first team players out injured by September, they had to use a lot of the U21s, Academy and U18s players and by November had lost 12 games in a row, drew three and won just one game. Towards the end of the season, they strengthened the squad but it was too late to avoid relegation. For the 2017/18 season, Bridges kept a few of the best of the players from the previous season and strengthened the team with more experienced players in the hope of promotion once again. Having dispensed with the services of Simon Wormull, Paul Hammond and Danny Lee from the coaching team and folding the Academy team, Bridges also strengthened the management team with the additions of the experienced ex-Bridges player, Martin Dynan as Assistant Manager, and UEFA 'A' licensed Coach, Marc Wardley. That season turned out to be an extremely tough one with every team wanting to beat us. However, Bridges accomplished what they set out to do by gaining promotion back to the Isthmian League having finished second place in the Southern Combination League Premier Division, just one point behind the winners, Haywards Heath Town, and despite having only lost 3 games all season. After serving 25 years with the Club as a manager, Paul Faili stood down as First Team Manager for the 2018/19 season in order to concentrate on his role as Club Chairman, and handed the management reins over to Martin Dynan, assisted by Liam Collins alongside Keith George. He also recruited a new U23s manager in Oliver Saunders, another UEFA 'A' licensed coach, to work closely with the First Team in developing both the U23s and U18s. After losing 8 out of 12 League games by the end of November, as well as being knocked out of all four cup competitions (FA Cup, FA Trophy, League Cup and Sussex Senior Cup), the future looked bleak for Martin Dynan. However, the team then went on an unbeaten run in December, earning Martin the League's Manager of the Month Award. Unfortunately, that didn't last and Martin's demise was inevitable by the end of February, having lost 8 of the last nine games with relegation looming. Paul Faili stepped in for the remaining 9 games of the season attaining 4 wins, 2 draws and 3 losses – enough for a 14th place finish and 14 points clear of relegation.

Paul remained as Manager, ably assisted by Keith George and coached by Jamie Crellin who played for the Club for five seasons, but sadly had to hang up his boots after sustaining an ankle injury early in the 2018/19 season, after making 164 appearances for the Club. First Team player, Brannon O'Neill, was appointed as U18s Manager. 2021/22 saw Jamie Crellin take over as First Team Manager, with Danny Lee (former Academy manager) returning to the club to join Jamie in the dugout as assistant manager. Last season saw Brannon O'Neill appointed as Assistant Manager following Danny Lee's departure and Joe Kay joining as First Team Coach. The team finished in their highest ever League position (fourth) but were beaten in the final of the Play Offs at home to Chichester City.

Brannon moved to Burgess Hill Town in the Summer, so Joe Kay is now Jamie's Assistant. Matt Calver and Chris Hayden are in charge of the Under 18's.

A HISTORY OF LITTLEHAMPTON TOWN FC

Littlehampton Town Football Club was officially founded in 1896, but evidence suggests football was played in the town as early as 1891 and the club started in 1893. In the early years games were played at Selborne Road but in the early 1900s sport moved to The Sportsfield on St Flora's Road where matches continue to be played today.

Back then the team's colours were dark green and the club were known as the 'Greenbacks.' The colours were changed in 1911 to blue and then in 1931 to white. In 1923 Tottenham Hotspur came to town for a friendly and won 7-1.

Littlehampton Town joined the Sussex County Football League in 1928 and the club stayed in Division 1 for 67 years. The first match in the new league was against Haywards Heath and the team won 5-1. In 1949 they won the Royal Ulster Rifles (RUR) Charity Cup and the Sussex Senior Challenge Cup.

The team changed to a gold strip in 1953 and the first reference to their nickname 'The Marigolds' was in the Littlehampton Gazette on 13th November 1953.

Under the guidance of Terry Gill the team were successful in the late 1960s and they won the Sussex Senior Challenge Cup again in 1970. Littlehampton Town were Division 1 runners-up eight times until they finally won the title in 1991. That year will never be forgotten.

A draw at Peacehaven & Telscombe in front of 1,400 fans meant Golds won the title on goal difference. The same year the club won through to the First Round Proper of the FA Cup. The highlight was a home match against Northampton Town, staged at The Sportsfield in front of 4,000 fans.

The Golds also reached the semi final of the FA Vase, losing to Gresley Rovers over two legs. That year the team played more cup matches than league games and won the Sussex League Challenge Cup and reached the final of the Sussex Senior Cup too.

Littlehampton Town dropped to Division 2 in 1995 and Carl Stabler came back as manager and took them back up in 1997, where they were again runners-up in the division.

In 2003 they were relegated once more, but made a swift return with a Division 2 league and cup double success. They fell out of the top flight again in 2008 and spent six years in Division 2.

Mark Bennett, a former player from the 1991 season joined as manager and oversaw the Division 2 title in 2013, where they only lost four league games all season and were finalists

in the John O'Hara Cup. In 2015 they recaptured the Division 1 title - for the first time in 23 years - on the final day and the last year of the Sussex County Football League.

With Mark Bennett's departure, player George Gaskin took over management of the club and guided the team to a mid-table finish. A year later the team dropped out of the top flight and into Division 1. In 2018, Littlehampton Town welcomed back both Mark Bennett as manager and George Gaskin as striker to help rebuild the club and return them to former glories.

The next two seasons were unfortunately curtailed due to the Covid-19 pandemic. In 2020, the Marigolds were unbeaten in the league, but no promotion was allowed. After a repeat performance in 2021, we did secure promotion on points-per-game. With George Gaskin joined at the managerial helm by Mitchell Hand, the first year back in the Southern Combination Football League Premier Division was arguably the best in the team's 126-year history to date. The Marigolds won the title, again on the final day of the season in front of 1,000 fans.

But it was also in the cups that brought them so much glory. As winners of both the League Cup and the RUR Charity Cup, a historic treble was nearly a quadruple as the team reached Wembley to play in the FA Vase final. As the first non-league team from Sussex to reach Wembley, it was an extraordinary achievement.

And despite losing 3-0 in the end to Newport Pagnell Town, the amazing home crowds in the quarter and semi-finals — of over 3,000 — ensured the entire town was behind the team in an incredible season. The club finished a respectable 12th in their first-ever season at Step 4 in the Pitching In Isthmian Football League South East Division last year.

LAST SEASON vs LITTLEHAMPTON TOWN

Bridges took four points off Littlehampton in 2023/2024 during our record-breaking season.

In October 2023, winger Ibby Jalloh was the main man as he scored a hat-trick as we cruised to a 3-1 victory at Jubilee Field. Ex-Bridges player George Gaskin scored the goal for the visitors on that day.

In February 2024 however, we were frustrated at The Sportsfield, as a 0-0 draw was played out, with Littlehampton playing the last half an hour with ten men after Dion Jarvis was given his marching orders. Ibby Jalloh missed a penalty on the day too.

MATCH REPORT

Saturday 7th September 2024 FA Trophy First Round Qualifying Hythe Town 1-2 Three Bridges

By Tom Coleman Fry

A much-improved Bridges performance compared to previous weeks resulted in a 2-1 win away to Hythe Town and a place in the Second Qualifying Round of the FA Trophy.

This was a young Bridges side, with most being under the age of 23, including three current under 18 players making up the subs bench. It was however the oldest head in the squad who put us ahead, as veteran striker Elliott Romain met Hayden Velvick's cross at the front post with a left-footed finish in the 5th minute and netted like the poacher he is well known for being.

Bridges dominated the first-half in possession, with Ferreria and Woollard protecting the defensive line, allowing the likes of Rivera, Burnett, Velvick and Bobomurodov to link up nicely and play free flowing football as Hythe struggled to deal with the Bridges shape and put very little press on the centre-back's.

The lead was doubled in the 31st minute and Hayden Velvick was again the provider. The young loanee from Tonbridge Angels beat his man down the left flank and crossed in for Kevin Rivera to finish on the half volley.

Both Burnett and Romain forced Hythe 'keeper Coleman into good saves in the closing exchanges of the opening 45 minutes, but Bridges had a deserved 2-0 lead at the break after a very good display thus far.

The game followed the same flow at the start of the second-half, with Bridges having the majority of the possession and Hythe putting in little effort to win the ball back. The most notable chance was Bobomurodov putting a left-footed shot just over after cutting in from the left-hand side.

However, it wouldn't be a Bridges performance without a few nervy moments, and Hythe were finding a way back into the game into the last 15 minutes. Glover had to make a good low save to deny James's fizzing shot before Scott put a flash shot just wide when he really should have scored.

Hythe did eventually find their goal in injury time, with striker Bruno Tavares heading in at the back post, but it was too little too late for the home side and Bridges came away from the Kent coast with a much needed (and deserved) victory.

Bridges team: Glover, Ferreria (c), Samson, Woollard, Velvick, Splatt, Romain (Adam), Bobomurodov, Rivera, Hanslow, Burnett.

Unused Subs: Hayden-Pickering, Falzon, Oliver, Salaam

Booked: Samson
