The Isthmian Football League strongly supports the Football Association's statement that there should be a zero-tolerance approach against all forms of discrimination. Any inappropriate conduct towards others, including but not limited to that based on an individual's sex, race, colour, weight, size, religion and belief, national origin, age, marital or domestic-partnership status, disability, sexual orientation, or gender identity or expression, will not be tolerated and will be reported to the relevant authorities. The Isthmian League and our Member Clubs are committed to promoting equity and equality by treating all people fairly and with respect, by recognising that inequalities may exist, by taking steps to address them and providing access and opportunities for all members of our communities.

Good afternoon everyone and welcome back to The Bauvill Stadium in Chatham.

Firstly, a warm reception to the management, players, committee members and supporters of Margate, who have had a shorter journey than me to attend today's match!

We are now only weeks away from the new 3G all-weather playing surface at Jubilee Field being ready. It's no secret that we've had delays because of the incredibly bad weather in September and October, but works are now cracking on at speed and those on social media will have seen an update video this week. As I sit writing these notes from my office, the workmen and contractors are finishing the tarmac layer, with the membrane to be laid next week, followed by the main pitch 'carpet'.

Our hope is that the pitch will be ready for men's home games against either Erith Town (14 December) or Burgess Hill Town (Boxing Day).

It is incredibly exciting that a project three years in the making is finally reaching the final stages and will soon be ready for all our teams at Three Bridges FC to use. It will be great for our men's, women's and youth teams, as well as a vital facility for the local community of Crawley to be proud of.

Whilst on the subject of the local community of Crawley, last week we announced details of this year's Christmas food bank collection to support three food banks within the town. We have partnered with Crawley Open House, The Easter Team and Crawley Free Shop on a series of projects over the last few years and we are delighted to be able to help them again. It would be appreciated if all supporters, home and away, could donate over the coming weeks. Even the smallest of items goes a long way.

On the pitch, it's been a tough few weeks, but let's hope for three points today and a good performance to match. Enjoy the game and thank you to all our supporters for their loyalty and once again travelling to Chatham during this period. I promise you we will be home soon!

A HISTORY OF THREE BRIDGES FOOTBALL CLUB

Founded in 1901, Three Bridges joined the Mid Sussex Football League in 1902 and were Champions of that League for the first time in the 1907/08 season. Their first major success came in 1933/34, when they won the Sussex Junior Cup, and sundry other minor honours came their way before they joined the Sussex County Football League in 1952/53, and two years later were crowned Second Division Champions.

In 1962/63 they won the Division Two Invitation Cup and in 1968/69, 1973/74 and 1979/80 were Second Division Runners Up. 1970/71 produced an against-the-odds triumph when winning the League's Invitation Cup against Southwick (3-2). The 1980s heralded a run of successes, starting with reaching the last 16 of the FA Vase for the first time in 1981/82 before losing at Molesey (1-2). A season later they made it to the last 32 but also won the Sussex RUR Charity Cup for the first time, beating Hastings Town 3-2. Another year on saw them finish runners up in the Thorn EMI National six-a-side tournament, winning a set of floodlights. 1985/86 saw them finish as County League Division One runners up, a feat they repeated in both 1987/88 (when they also won the RUR Cup again) and 1988/89. A fire destroyed their clubhouse in 1993 which re-focused their priorities and ultimately resulted in relegation in 1996/97. They won the Division 2 League Cup a season later and then finished runners up in Division 2 to regain Division 1 status. They were RUR Cup runners up in 2003/04 and then winners of that same prestigious trophy in 2007/08. In season 2010/11 hopes were high when they started by winning their first nine League games, but eventually finished the season in 5th place. However, they did win the John O'Hara League Challenge Cup for the first time that season, beating Rye United 2-1, a tremendous feat that they achieved again in 2011/12, this time AFC Uckfield being defeated 2-1. It looked like being another tough League campaign when they lost four of the first nine matches, but then lost only one of the remaining 29 games, which was concluded by beating Championship rivals Rye United 1-0 at home on the final day of the season! This tremendous run meant the club had achieved its ambition and become Sussex County Football League Champions.

Their first season in the Ryman Isthmian Football League South Division saw them struggle for much of the time. However, having been 10 points adrift at the bottom of the table in mid-February, they went on a run of 11 matches that produced 7 victories, 2 draws and just 2 defeats, earning them Team of the Month Awards in both March and April as a result. It meant that they survived the drop, but their second season in the Ryman League saw them struggle at times again but some key signings midway through the season helped them to 19th place. The 2014/15 season saw an even greater improvement with a healthy mixture of youth and experience guiding them into 7th position and, whilst they were happy to score 94 League goals, they were less than happy about the 95 they conceded! They improved their defensive record in conceding 67 goals in season 2015/16 but only scored 59, hardly helped by long-term injuries to strike partners Allan Tait and Tony Garrod. With 66 points, they slumped to 14th position, although they only accumulated 6 points fewer than in the previous campaign!

Bridges maintained most of that season's squad for the 2016/17 campaign. However, with at least 11 first team players out injured by September, they had to use a lot of the U21s, Academy and U18s players and by November had lost 12 games in a row, drew three and won just one game. Towards the end of the season, they strengthened the squad but it was too late to avoid relegation. For the 2017/18 season, Bridges kept a few of the best of the players from the previous season and strengthened the team with more experienced players in the hope of promotion once again. Bridges also strengthened the management team with the additions of the experienced ex-Bridges player, Martin Dynan as Assistant Manager, and UEFA 'A' licensed Coach, Marc Wardley. That season turned out to be an extremely tough one with every team wanting to beat us. However, Bridges accomplished what they set out to do by gaining promotion back to the Isthmian League having finished second place in the Southern Combination League Premier Division, just one point behind the winners, Haywards Heath Town, and despite having only lost 3 games all season. After serving 25 years with the Club as a manager, Paul Faili stood down as First Team Manager for the 2018/19 season in order to concentrate on his role as Club Chairman, and handed the management reins over to Martin Dynan, assisted by Liam Collins alongside Keith George. After losing 8 out of 12 League games by the end of November, as well as being knocked out of all four cup competitions, the future looked bleak for Martin Dynan. However, the team then went on an unbeaten run in December, earning Martin the League's Manager of the Month Award. Unfortunately, that didn't last and Martin's demise was inevitable by the end of February, having lost 8 of the last nine games with relegation looming. Paul Faili stepped in for the remaining 9 games of the season attaining 4 wins, 2 draws and 3 losses – enough for a 14th place finish and 14 points clear of relegation.

Paul remained as Manager, ably assisted by Keith George and coached by Jamie Crellin who played for the Club for five seasons, but sadly had to hang up his boots after sustaining an ankle injury early in the 2018/19 season, after making 164 appearances for the Club. First Team player, Brannon O'Neill, was appointed as U18s Manager. 2021/22 saw Jamie Crellin take over as First Team Manager, with Danny Lee (former Academy manager) returning to the club to join Jamie in the dugout as assistant manager. Last season saw Brannon O'Neill appointed as Assistant Manager following Danny Lee's departure and Joe Kay joining as First Team Coach. The team finished in their highest ever League position (fourth) but were beaten in the final of the Play Offs at home to Chichester City.

Brannon moved to Burgess Hill Town in the Summer, so Joe Kay is now Jamie's Assistant.

A HISTORY OF MARGATE FOOTBALL CLUB

The club was founded in 1896 and joined the Southern Football League in 1933. After a spell in the Kent League after World War II the team returned to the Southern League in 1959 and remained there until 2001 when they gained promotion to the Football Conference, the highest level of English non-league football. Their stay at this level saw the team forced to ground share with other clubs due to drawn-out and problematic redevelopment work at their Hartsdown Park stadium, and during the three years spent away from their own ground they were expelled from the Conference National and subsequently relegated to the Isthmian League.

After the Second World War the Gate continued to play in the Kent League under new manager Charlie Walker, who led the team to two Kent League championships but was then controversially sacked. The team slumped during a succession of rapid managerial changes which only ended in 1950 when Almer Hall was appointed manager, a post he was to hold for the next twenty years. Under Hall the team won a host of local cup honours and reached the rounds proper of the FA Cup on several occasions, but never managed to match this success in league competition.

In 1959–60 Margate returned to the Southern League after the Kent League folded, and in 1962–63 won the Division One championship and with it promotion to the Premier Division. Two years later the club turned full-time professional but this policy proved financially untenable when the team were relegated back to Division One in 1965–66. Nonetheless, they won promotion at the first attempt and returned to the Premier Division in 1967.

During the 1970s Margate endured severe financial problems and a series of mediocre league seasons but took part in two famous FA Cup ties. In 1971 the Gate lost 11–0 to Bournemouth, with Ted MacDougall scoring a cup record nine goals. Then, a year later, Margate beat Swansea City and Walton & Hersham to set up a third round tie against First Division Tottenham Hotspur, then UEFA Cup holders. A record crowd of over 14,000 packed into Hartsdown Park for a match which Margate lost 6–0.

In 1996, the club's centenary year, the club appointed Chris Kinnear as manager. In 1997–98 he took the team to the first round proper of the FA Cup where they played Fulham in a home tie that drew a crowd of 5,100. Although the Gate took the lead, the Cottagers eventually won 2–1. The following season saw the club finally win promotion to the Southern League Premier Division, albeit only after an appeal was lodged against the league's initial refusal to allow the team promotion due to the club failing to carry out necessary ground improvements in time. The Premier Division championship followed in the 2000–01 season, and with it promotion to the Football Conference.

The 2001–02 season was Gate's first ever season of Conference football and they finished the season in eighth place. In the 2002–03 season the team began ground sharing at Dover Athletics' Crabble while redevelopment work took place at Hartsdown Park, but various problems stalled the planned redevelopment. On the pitch, Margate enjoyed more success in the FA Cup when, after defeating Leyton Orient in the first round, they were drawn at home to Cardiff City in the second round, but lost 3–0 at Crabble. The following season, despite finishing sixteenth, the Gate were forcibly relegated one division due to the ongoing delays and problems with the redevelopment plans for Hartsdown Park.

Margate spent the 2004–05 season in the Conference South, now ground sharing at Ashford Town. Amidst ongoing issues with the redevelopment work, which at one point made it seem very likely that the club would fold completely, Margate were again relegated to the Isthmian League Premier Division.

After 10 years in the Ryman Premier Division Margate won promotion back to the Vanarama National League South after beating Hendon in the play-off final at the Earlsmead Stadium. Ryan Moss scored the winning goal as Terry Brown's side celebrated promotion back to second tier of Non-league Football.

Margate's first season back in the National League South was a rollercoaster ride with survival secured on the final day of the season despite a 2-0 defeat to Bath City. A run of 11 defeats from their final 12 games left Margate needing results elsewhere to keep them in the division and Weston Super-Mare's 1-1 draw away at Havant & Waterlooville meant Havant were relegated.

Since the 2017-2018 season Margate have been in the Isthmian Premier League, where under new ownership the Club have installed a state of the art 3G Pitch, plans are in place to develop the stadium further and build a hotel on site. The Club narrowly missed out on the play offs in the 2017-18 season and after the departure of manager Steve Watt the Club went through a period of transition and were able to avoid relegation in the 2018-2019 season thanks largely to the presence of Jay Saunders as temporary manager. At the start of the 2019-2020 campaign fan favourite Jay became our permanent manager and is still at the helm for season 2021/22, after season 2020/21 was made null and void.

The 2021/22 saw Margate enjoy their most successful season in a while as they finished 8th in the Isthmian Premier Division, and reached the Velocity Trophy final for the first time in 24 years. The final ended in a 4-0 defeat to Horsham, however the Blues also reached the Quarter-final of the Kent Senior Cup, where they were beaten by eventual winners Dartford FC. At the end of the campaign, Manager Jay Saunders was approached by National League South side Tonbridge Angels, and he decided on a new chapter with them and left Margate in May 2022 to take up the position as Manager at the Longmead Stadium.

The Club moved quickly to install a new Manager as Andy Drury was appointed on the same day as Saunders departed. A former Ipswich, Luton Town and Stevenage player, Drury possesses extremely good knowledge of the game. He had spent just a handful of games in charge at Whitstable Town, however this is his first full season in Management.

Sadly, after just six months in the job, the Blues dismissed Drury and Reece Prestedge and Ben Greenhalgh were installed as interim joint managers on 26th December 2022. Prestedge and Greenhalgh were handed the job on a permanent basis on Monday 10th April 2023 after securing the Blues survival in the Isthmian Premier Division. Margate ended the season with some celebration after they lifted the Kent Senior Cup in May at Gillingham after beating Chatham Town 5-4 on penalties after a 1-1 draw in 90 minutes. It was the first time the Blues lifted the trophy since 2005.

After a run of bad results Reece was relieved of his duties in early December and Margate brought in the vastly experienced Mark Stimson to replace him. Unfortunately, Mark couldn't save us from being relegated to step 4 and at the end of the season was also relieved of his duties. The Board decided to appoint Ben Greenhalgh as player manager for this coming season.

MATCH REPORT

LITTLEHAMPTON 4-3 THREE BRIDGES

Saturday 9th November 2024
Isthmian League South East Division
By Alf Blackler

Bridges went through the highs and lows of the "beautiful game" as they led comfortably for half and hour but then seemed to fold alarmingly. Someone needs to remind them that games last ninety minutes and not just thirty!

Getting over the early loss of Dan Ferreira, Bridges looked positive on the front foot and went ahead after 20 minutes when Kevin Rivera laid the ball into the path of REECE HALLARD just inside Littlehampton's half. He then shrugged off a couple of challenges and surged through to clip the ball past Mac Chisholm for a fine individual goal.

Six minutes later the visitors deservedly doubled their lead with Bradley Campbell Francis and Reece Hallard involved before Nordibek Bobomorodov struck the crossbar and debutant FRANCIS JUNIOR ZE headed home the rebound.

But Bridges then took their foot off the pedal with the Marigolds gratefully accepting the opportunity to get back into a game they'd hardly got a touch in. Good work by the evergreen Rob O'Toole created the opening for JOE BENN to net after 39 minutes, and just two minutes later a good run by Dion Jarvis culminated in another simple chance for O'TOOLE to equalise.

A mix up with Bobomorodov and Leo Anderson after 58 minutes then led to O'TOOLE giving Littlehampton the lead, and Benn should have really added another as he chased a long ball over the top of Bridges; defence.

A handball by Bryan Villavicencio after 72 minutes then led to a penalty comfortably despatched by JORDAN LAYTON, and a number of Bridges players looked crestfallen at the turn of events. Littlehampton seemed content to see the game out, but a foul on Hayden Velvick in the last moments of added time led to a spot kick which BEN HOLDEN lashed home. But it was scant consolation for a dispirited looking Bridges outfit.

Bridges : L.Anderson, D.Ferreira (B.Campbell-Francis, 9), H.Woollard, J.Hallard, F.J.Ze, N.Bobomorodov (H.Velvick, 75), R.Hallard (K.Kamhouri, 86), K.Rivera (A.Adam, 72), B.Holden, B.Irving, A.Burnett (B.Villavicencio, 55).
Booked - Burnett (48).
