The Isthmian Football League strongly supports the Football Association's statement that there should be a zero-tolerance approach against all forms of discrimination. Any inappropriate conduct towards others, including but not limited to that based on an individual's sex, race, colour, weight, size, religion and belief, national origin, age, marital or domestic-partnership status, disability, sexual orientation, or gender identity or expression, will not be tolerated and will be reported to the relevant authorities. The Isthmian League and our Member Clubs are committed to promoting equity and equality by treating all people fairly and with respect, by recognising that inequalities may exist, by taking steps to address them and providing access and opportunities for all members of our communities.

Good afternoon everyone and welcome back to The Bauvill Stadium, for what could be our last game using Chatham Town FC as our temporary home ground.

Despite our awful playing record whilst using these facilities, I would again like to say a massive thank you to Kevin Hake and his team for being so accommodating during the last few months and helping us in our time of need. It is hugely appreciated and shows the strong relationship between the two clubs.

As some will have seen on social media, we are so close to Jubilee Field being ready for football again. The majority of the playing surface has now been laid, with various tests to confirm that the pitch can be used booked in for next week. We are still aiming for everything to be ready for Boxing Day against Burgess Hill Town and will update supporters accordingly.

On the pitch, two away wins on consecutive Saturday's have thankfully seen us move up the table. I was overjoyed to see one of our youth products, Connor Hayden-Pickering, receive Man of the Match in our 1-0 win away against AFC Croydon Athletic on Saturday 23 November. Connor has been at the club since the age of 7, working his way through the youth system, and making his first team debut this season having just turned 17. It shows how healthy our player pathway remains and the trust that Jamie Crellin has in players coming through from Matt Calver's U18's team.

That one example of Connor also emphasizes how important the 3G playing surface is going to be to this football club and the local community. It will allow us to create more teams in our youth section, gives more players opportunities, and in the future see more boys and girls coming through and featuring for our men's and women's teams.

Looking at today's game, we welcome the players, management, committee and supporters of Hythe Town and look forward to a competitive game. Let's hope our (potential) last game at The Bauvill Stadium can finally see us win a home match this season!

Paul Faili

A HISTORY OF THREE BRIDGES FOOTBALL CLUB

Founded in 1901, Three Bridges joined the Mid Sussex Football League in 1902 and were Champions of that League for the first time in the 1907/08 season. Their first major success came in 1933/34, when they won the Sussex Junior Cup, and sundry other minor honours came their way before they joined the Sussex County Football League in 1952/53, and two years later were crowned Second Division Champions.

In 1962/63 they won the Division Two Invitation Cup and in 1968/69, 1973/74 and 1979/80 were Second Division Runners Up. 1970/71 produced an against-the-odds triumph when winning the League's Invitation Cup against Southwick (3-2). The 1980s heralded a run of successes, starting with reaching the last 16 of the FA Vase for the first time in 1981/82 before losing at Molesey (1-2). A season later they made it to the last 32 but also won the Sussex RUR Charity Cup for the first time, beating Hastings Town 3-2. Another year on saw them finish runners up in the Thorn EMI National six-a-side tournament, winning a set of floodlights. 1985/86 saw them finish as County League Division One runners up, a feat they repeated in both 1987/88 (when they also won the RUR Cup again) and 1988/89. A fire destroyed their clubhouse in 1993 which re-focused their priorities and ultimately resulted in relegation in 1996/97. They won the Division 2 League Cup a season later and then finished runners up in Division 2 to regain Division 1 status. They were RUR Cup runners up in 2003/04 and then winners of that same prestigious trophy in 2007/08. In season 2010/11 hopes were high when they started by winning their first nine League games, but eventually finished the season in 5th place. However, they did win the John O'Hara League Challenge Cup for the first time that season, beating Rye United 2-1, a tremendous feat that they achieved again in 2011/12, this time AFC Uckfield being defeated 2-1. It looked like being another tough League campaign when they lost four of the first nine matches, but then lost only one of the remaining 29 games, which was concluded by beating Championship rivals Rye United 1-0 at home on the final day of the season! This tremendous run meant the club had achieved its ambition and become Sussex County Football League Champions.

Their first season in the Ryman Isthmian Football League South Division saw them struggle for much of the time. However, having been 10 points adrift at the bottom of the table in mid-February, they went on a run of 11 matches that produced 7 victories, 2 draws and just 2 defeats, earning them Team of the Month Awards in both March and April as a result. It meant that they survived the drop, but their second season in the Ryman League saw them struggle at times again but some key signings midway through the season helped them to 19th place. The 2014/15 season saw an even greater improvement with a healthy mixture of youth and experience guiding them into 7th position and, whilst they were happy to score 94 League goals, they were less than happy about the 95 they conceded! They improved their defensive record in conceding 67 goals in season 2015/16 but only scored 59, hardly helped by long-term injuries to strike partners Allan Tait and Tony Garrod. With 66 points, they slumped to 14th position, although they only accumulated 6 points fewer than in the previous campaign!

Bridges maintained most of that season's squad for the 2016/17 campaign. However, with at least 11 first team players out injured by September, they had to use a lot of the U21s, Academy and U18s players and by November had lost 12 games in a row, drew three and won just one game. Towards the end of the season, they strengthened the squad but it was too late to avoid relegation. For the 2017/18 season, Bridges kept a few of the best of the players from the previous season and strengthened the team with more experienced players in the hope of promotion once again. Bridges also strengthened the management team with the additions of the experienced ex-Bridges player, Martin Dynan as Assistant Manager, and UEFA 'A' licensed Coach, Marc Wardley. That season turned out to be an extremely tough one with every team wanting to beat us. However, Bridges accomplished what they set out to do by gaining promotion back to the Isthmian League having finished second place in the Southern Combination League Premier Division, just one point behind the winners, Haywards Heath Town, and despite having only lost 3 games all season. After serving 25 years with the Club as a manager, Paul Faili stood down as First Team Manager for the 2018/19 season in order to concentrate on his role as Club Chairman, and handed the management reins over to Martin Dynan, assisted by Liam Collins alongside Keith George. After losing 8 out of 12 League games by the end of November, as well as being knocked out of all four cup competitions, the future looked bleak for Martin Dynan. However, the team then went on an unbeaten run in December, earning Martin the League's Manager of the Month Award. Unfortunately, that didn't last and Martin's demise was inevitable by the end of February, having lost 8 of the last nine games with relegation looming. Paul Faili stepped in for the remaining 9 games of the season attaining 4 wins, 2 draws and 3 losses – enough for a 14th place finish and 14 points clear of relegation.

Paul remained as Manager, ably assisted by Keith George and coached by Jamie Crellin who played for the Club for five seasons, but sadly had to hang up his boots after sustaining an ankle injury early in the 2018/19 season, after making 164 appearances for the Club. First Team player, Brannon O'Neill, was appointed as U18s Manager. 2021/22 saw Jamie Crellin take over as First Team Manager, with Danny Lee (former Academy manager) returning to the club to join Jamie in the dugout as assistant manager. Last season saw Brannon O'Neill appointed as Assistant Manager following Danny Lee's departure and Joe Kay joining as First Team Coach. The team finished in their highest ever League position (fourth) but were beaten in the final of the Play Offs at home to Chichester City.

Brannon moved to Burgess Hill Town in the Summer, so Joe Kay is now Jamie's Assistant.

A HISTORY OF HYTHE TOWN FC

Hythe Town Football Club was formed in August 1910 although football in Hythe can be traced back into the previous century. The club joined the Folkestone and District Leagues and after the First World War had some success with four championships and only once outside the top three in fourteen seasons. They moved up into the Kent Amateur League in 1936 and were promoted into Division One before the Second World War intervened. The 50s and 60s saw little league success but that changed in the early 70s under manager Bob Davis with three successive league titles and a Kent Junior Cup win. Hythe were granted senior status and elected into the Kent League in 1977, playing at the newly acquired Reachfields, a former army sports ground on the edge of the town's firing ranges. The club were runners-up in the Kent League on three occasions. When property developer Tony Walton took over Hythe Town in February 1988 there was a rapid rise on and off the pitch.

That summer saw the ground developed to Southern League standard with new seating and a social club, with viewing balconies, above new dressing rooms. Standing cover extended behind one goal and for the whole of the far side, and floodlights were installed. The ground capacity still remains at 3,000 with the majority under cover. The chairman proved to be a high-profile character who attracted much media attention with his high spending on the ground and team. Town won the 1988/9 Kent League title by 14 points and set a league record of 133 goals. The club moved up into the Southern League.

The next season saw another promotion as the main aim, but the club's great run to the FA Vase semi-finals handicapped their league ambitions, with four games a week at times, and a sixth-place finish. Hythe lost out to the eventual Vase winners Yeading, winning the home leg 3-2 in front of the club's record attendance of 2,147, but losing the second leg 2-0 with the crucial goal coming from a big deflection. Hythe did have one trophy success, winning the Eastern Professional Floodlight Cup at their first attempt.

The following season was very similar, topping the table in November but runs in four cups again caused fixture congestion and a final placing of eighth. Hythe lost out to Trowbridge Town in a Vase quarter-final second replay, lost to Chelmsford City over two legs in the Southern League Cup final, but won the Kent Senior Trophy and retained the Eastern Professional Floodlight Cup. The club played 40 league games and 33 cup ties.

In 1991/2 Hythe again topped the table in the early months but the money was beginning to run out. With little cup success, the exit from the Vase at Evesham United in February saw many of the team sold and their replacements could only finish thirteenth. The club did reach the final of the Kent Senior Cup, losing in extra-time to Bromley at Gillingham's Priestfield Stadium. That match proved to be Walton's last game, and he put the club into liquidation soon after.

Supporters rallied round and entered a scratch side, as Hythe United, into the following season's Kent County League and negotiated continued use of Reachfields Stadium. After three seasons the club regained senior status and in 1995 were elected back into the Kent League. The early seasons saw the club struggle in the wrong half of the table. In 2001 Hythe dropped the "United" suffix, reverting to "Town" and in November 2002 appointed Paul Fisk as manager. This proved a turning point and Hythe became a regular top-six Kent League club.

Season 2007/8 saw Hythe top of the table in March but fall away to finish fourth. The highlight was a fantastic FA Cup win over Andy Hessenthaler's Dover Athletic before a crowd of 1,109 at Reachfields, and achieving the important Ryman League ground grading.

The club achieved the runners-up spot the following season and then Scott Porter, who had been Paul Fisk's assistant, took over as manager for the 2009/10 season with Clive Cook as his number two. There was a third-place finish in the

league and another good FA Cup performance, holding Woking to a draw at Reachfields before losing the replay in Surrey.

The 2010/11 season was possibly the most successful in the history of the club, with Porter leading the side to the Kent League Championship for the first time in over twenty years and promotion to the Ryman League. After a 22-match unbeaten run in the new year, dropped points over Easter took the championship to the wire and the league title was clinched in dramatic fashion on the final day of the season thanks to a last-minute equaliser at Tunbridge Wells. Brendan Cass won the Kent League Golden Boot.

This fine achievement was coupled with the club's best ever F.A. Cup run, and the best for any Kent League side since the 1950s. Hythe negotiated their way through six rounds, including memorable wins over higher-league opposition at Concord Rangers of the Ryman Premier and at home to Staines Town of the Blue Square Bet South. The prize was an away draw in the First Round Proper to League Two side Hereford United. It was one round too far on the pitch, the hosts comfortably winning 5-1 with Gary Mickelborough getting the Hythe goal.

During the 2011/2 season the club maintained their progress and finished in eighth place in Ryman Division One South. Hythe were also able to get their hands on some silverware as wins over Ebbsfleet United and Dover Athletic were followed by a single goal victory in the final at Dartford to lift the Kent Senior Cup. The following season ended with a 17-match unbeaten run and a fourth-place finish. This brought about the club's first play-off appearance but there was defeat at Faversham Town in the semi-final. Dave Cook scored 28 goals in total and won the Ryman One South Golden Boot.

After another eighth-place finish Porter and Cook left the club at the end of 2013/4. Tim Dixon was appointed as the new manager, but it was a disappointing season that saw Hythe finish in sixteenth position. After a poor start to 2015/6 the club parted company with Dixon in September. Clive Cook returned to take over, this time as manager and led a remarkable turnaround from the relegation places to finish fourth as the club qualified for the Ryman One South play-offs for a second time. Defeat followed at Worthing in the semi-final.

Alfie May's 49 goals in 65 Hythe appearances from September 2015 to December 2016 attracted the attention of League Two Doncaster Rovers, who signed him in January 2017. He played there for three years before moving to his current club, Cheltenham Town, in January 2020.

Hythe parted company with Cook in January 2017 and appointed ex-Herne Bay manager Sam Denly in his place. The club finished in seventh place, six points outside the play-offs. The following season, 2017/8, saw Hythe unbeaten in the last 14 games but missing the play-offs on goal difference. Only drawing on the last day of the season was the difference, and seventh place again.

In 2018/9 Hythe again claimed seventh position but this time a distant eleven points from the play-offs. Zak Ansah scored 32 goals during the season and won the Ryman One South Golden Boot. A poor start to the following season resulted in the departure of Denly, to be replaced by Steve Watt in September 2019. The season was brought to a premature end due to the Covid-19 pandemic with Hythe in eleventh position after 29 games. The 2020/1 season hardly started, with Hythe eighth after only six matches when it was curtailed. The club looks forward to a new and hopefully uninterrupted season. Steve Watt did leave during 2021-22 to be replaced by James Rogers who saw us safe from relegation, but Steve returned at the start of last season to take the reins again. 2022-2023 ended with an Isthmian League South-East Play off final when Whitehawk pipped the Cannons to a place in the Premier Division.

2023/2024 saw a great start to the season with a fantastic run in the FA Trophy when Hythe got to the fourth round where they were beaten 2-1 at home to National League North Chorley. However, things tailed off towards the end of the season and Steve Watt resigned and Sammy Moore replaced him as manager. Former Sheppey Chairman Matthew Smith joined during the summer providing vital investment and setting the club up for a bright future.

Sammy Moore resigned after the first league game of 2024/2025 to be replaced by former Sittingbourne, Ramsgate and VCD Athletic manager Nick Davis.

MATCH REPORT

STEYNING TOWN 1-2 THREE BRIDGES

Saturday 30th November 2024
Isthmian League South East Division
By Alf Blackler

A welcome win for Bridges against another team hoping to get out of the dreaded bottom four, and whilst the visitors looked the better side for much of the afternoon, the game wasn't without a few worrying moments for Jamie Crellin's team.

After just seven minutes Charlie Meehan wasted a golden opportunity when clean through, eventually putting the ball wide, but a scintillating first half display by Kevin Rivera deserved better fate than one eleventh minute effort being deflected wide and another being held by Nathan Stroomberg Clarke.

Harvey Killick almost gave Steyning the lead just before half time, his volley being brilliantly tipped over the bar by Luke Glover, but generally the home defence had to be on their toes dealing with the likes of Rivera and Nordibek Bobomurodov, whilst Harver Woollard seemed to be winning all the 50-50 challenges.

The opening goal after 57 minutes was worth the wait as unexpected as it was with an out of the blue first time hit by BOBOMURODOV that sailed beyond the reach of the home keeper.

He did however make a good save from Reece Hallard at the near post, but was beaten again two minutes from the end of normal time when a mixture of pure skill and determination by Hayden Velvick created the opening for REECE HALLARD to steer home.

But it wouldn't be Bridges right now without a touch of late drama as they looked lucky to survive what looked to be a pull back by Ben Holden and an added time break by Steyning saw HARRY SHOOMAN's drive go in off the far post. The visitors however were in no mood to concede again and held on to a much needed three points.
