The Isthmian Football League strongly supports the Football Association's statement that there should be a zero-tolerance approach against all forms of discrimination. Any inappropriate conduct towards others, including but not limited to that based on an individual's sex, race, colour, weight, size, religion and belief, national origin, age, marital or domestic-partnership status, disability, sexual orientation, or gender identity or expression, will not be tolerated and will be reported to the relevant authorities. The Isthmian League and our Member Clubs are committed to promoting equity and equality by treating all people fairly and with respect, by recognising that inequalities may exist, by taking steps to address them and providing access and opportunities for all members of our communities.

Hello everyone and welcome to Jubilee Field, where we entertain Eastbourne Town and Deal Town this week. I'd like to send a big thank you to loyal supporters Chris & Marc Kitcher who are Matchball Sponsor's for the Eastbourne Town game and both will have the honour of selecting Man of the Match.

An extended welcome to the officials, players, management and supporters of both Eastbourne Town and Deal Town. We hope you enjoy your time and the hospitality at Three Bridges, and all will hope to see two competitive fixtures played out this week.

The last fortnight has seen the full effects of what our new facility will offer this football club, with ALL our youth teams now using Jubilee Field for their training sessions and the talent from these youth teams on show during the weekend during matchday's too. It really is a great sight to see, with nearly 150 children using the 3G pitch every evening of every day during the week to learn from our brilliant youth coaches and play football with enjoyment and a smile on their faces.

We also have a number of local schools and community groups who are using the 3G pitch on a regular basis and many have been complimentary of the facility we can now offer. We look forward to benefitting from these partnerships as time goes on, as well as connecting with more of the community of Crawley.

Away from me talking about the 3G pitch (which is of course my new favourite subject), our squad welcomed back a fan favourite last week. Noel Leighton, who scored 40+ goals in amber and black last season, has agreed to re-join Bridges. This is a huge boost for our playing squad. Not only does Noel add goals and quality to this team, but he is also a voice, a leader and a reliable character. And to no one's shock, he scored within 15 minutes of being back in the team last week away to Ashford United! Welcome back Noel, it's a pleasure to have you back.

Last week's 3-2 victory away to Ashford United continued our strong away form, taking 12 points from our last 6 games on the road, and that's facing some tough opposition too. We now have four games over a fortnight period at Jubilee Field, so let's get behind the boys and start make our home ground a fortress!

A HISTORY OF THREE BRIDGES FOOTBALL CLUB

Founded in 1901, Three Bridges joined the Mid Sussex Football League in 1902 and were Champions of that League for the first time in the 1907/08 season. Their first major success came in 1933/34, when they won the Sussex Junior Cup, and sundry other minor honours came their way before they joined the Sussex County Football League in 1952/53, and two years later were crowned Second Division Champions.

In 1962/63 they won the Division Two Invitation Cup and in 1968/69, 1973/74 and 1979/80 were Second Division Runners Up. 1970/71 produced an against-the-odds triumph when winning the League's Invitation Cup against Southwick (3-2). The 1980s heralded a run of successes, starting with reaching the last 16 of the FA Vase for the first time in 1981/82 before losing at Molesey (1-2). A season later they made it to the last 32 but also won the Sussex RUR Charity Cup for the first time, beating Hastings Town 3-2. Another year on saw them finish runners up in the Thorn EMI National six-a-side tournament, winning a set of floodlights. 1985/86 saw them finish as County League Division One runners up, a feat they repeated in both 1987/88 (when they also won the RUR Cup again) and 1988/89. A fire destroyed their clubhouse in 1993 which re-focused their priorities and ultimately resulted in relegation in 1996/97. They won the Division 2 League Cup a season later and then finished runners up in Division 2 to regain Division 1 status. They were RUR Cup runners up in 2003/04 and then winners of that same prestigious trophy in 2007/08. In season 2010/11 hopes were high when they started by winning their first nine League games, but eventually finished the season in 5th place. However, they did win the John O'Hara League Challenge Cup for the first time that season, beating Rye United 2-1, a tremendous feat that they achieved again in 2011/12, this time AFC Uckfield being defeated 2-1. It looked like being another tough League campaign when they lost four of the first nine matches, but then lost only one of the remaining 29 games, which was concluded by beating Championship rivals Rye United 1-0 at home on the final day of the season! This tremendous run meant the club had achieved its ambition and become Sussex County Football League Champions.

Their first season in the Ryman Isthmian Football League South Division saw them struggle for much of the time. However, having been 10 points adrift at the bottom of the table in mid-February, they went on a run of 11 matches that produced 7 victories, 2 draws and just 2 defeats, earning them Team of the Month Awards in both March and April as a result. It meant that they survived the drop, but their second season in the Ryman League saw them struggle at times again but some key signings midway through the season helped them to 19th place. The 2014/15 season saw an even greater improvement with a healthy mixture of youth and experience guiding them into 7th position and, whilst they were happy to score 94 League goals, they were less than happy about the 95 they conceded! They improved their defensive record in conceding 67 goals in season 2015/16 but only scored 59, hardly helped by long-term injuries to strike partners Allan Tait and Tony Garrod. With 66 points, they slumped to 14th position, although they only accumulated 6 points fewer than in the previous campaign!

Bridges maintained most of that season's squad for the 2016/17 campaign. However, with at least 11 first team players out injured by September, they had to use a lot of the U21s, Academy and U18s players and by November had lost 12 games in a row, drew three and won just one game. Towards the end of the season, they strengthened the squad but it was too late to avoid relegation. For the 2017/18 season, Bridges kept a few of the best of the players from the previous season and strengthened the team with more experienced players in the hope of promotion once again. Bridges also strengthened the management team with the additions of the experienced ex-Bridges player, Martin Dynan as Assistant Manager, and UEFA 'A' licensed Coach, Marc Wardley. That season turned out to be an extremely tough one with every team wanting to beat us. However, Bridges accomplished what they set out to do by gaining promotion back to the Isthmian League having finished second place in the Southern Combination League Premier Division, just one point behind the winners, Haywards Heath Town, and despite having only lost 3 games all season. After serving 25 years with the Club as a manager, Paul Faili stood down as First Team Manager for the 2018/19 season in order to concentrate on his role as Club Chairman, and handed the management reins over to Martin Dynan, assisted by Liam Collins alongside Keith George. After losing 8 out of 12 League games by the end of November, as well as being knocked out of all four cup competitions, the future looked bleak for Martin Dynan. However, the team then went on an unbeaten run in December, earning Martin the League's Manager of the Month Award. Unfortunately, that didn't last and Martin's demise was inevitable by the end of February, having lost 8 of the last nine games with relegation looming. Paul Faili stepped in for the remaining 9 games of the season attaining 4 wins, 2 draws and 3 losses – enough for a 14th place finish and 14 points clear of relegation.

Paul remained as Manager, ably assisted by Keith George and coached by Jamie Crellin who played for the Club for five seasons, but sadly had to hang up his boots after sustaining an ankle injury early in the 2018/19 season, after making 164 appearances for the Club. First Team player, Brannon O'Neill, was appointed as U18s Manager. 2021/22 saw Jamie Crellin take over as First Team Manager, with Danny Lee (former Academy manager) returning to the club to join Jamie in the dugout as assistant manager. Last season saw Brannon O'Neill appointed as Assistant Manager following Danny Lee's departure and Joe Kay joining as First Team Coach. The team finished in their highest ever League position (fourth) but were beaten in the final of the Play Offs at home to Chichester City.

Brannon moved to Burgess Hill Town in the Summer, so Joe Kay is now Jamie's Assistant.

A HISTORY OF EASTBOURNE TOWN FC

Eastbourne Town Football Club, founded on 19 October 1881 as Devonshire Park F.C., holds the distinction of being Sussex's oldest senior football club. The club's first ground was Devonshire Park, a venue now known for hosting a major pre-Wimbledon tennis tournament. The football club played there until 1886, when tennis became the dominant sport at the park, leading to the football team's relocation to the nearby Saffrons Field. This move marked the beginning of a long association with the Saffrons, where the club still plays today. The field is named after the saffron crocus, which had been cultivated on the site for medicinal purposes.

In 1889, the club was renamed Eastbourne FC. Known for its 'gentlemen amateurs,' Eastbourne soon became a force in Sussex football, winning the Sussex Senior Cup eight times in the first 1 years of its existence. This era cemented the club's reputation as a major player in county football. The early 1900s saw further successes, including the club's first international trophy in 1904, where Eastbourne won the Paris New Years Tournament. This victory highlighted the club's growing stature beyond local competitions. The club joined the South Eastern League in 1905, playing against reserve teams from big clubs like Arsenal, Chelsea, and Tottenham Hotspur. Despite struggling in the first season, which resulted in relegation, Eastbourne continued to build its profile. In 1907, the club aligned with the Amateur Football Alliance and became a founding member of the Southern Amateur League, where it remained until after World War II. Another international triumph came in 1909 when the club won the "Challenge International du Nord," a competition that included amateur teams from France, Belgium, and other European countries.

The 1920s were a golden era for Eastbourne Town, with two league championships and two national AFA Senior Cup victories. The club also made multiple appearances in the Sussex Senior Cup finals, winning several titles during this period. By the 1930s, the club had become a fixture Sussex football, with large crowds regularly attending matches at the Saffrons. Improvements to the ground included the construction of a wooden grandstand and terracing on the popular Town Hall side.

During World War II, the Saffrons survived intact, and friendly matches were frequently played there. Post-war, Eastbourne Town joined the Corinthian League and later moved into the Athenian League following a merger in 1963. The immediate post-war years saw attendances peak at an average of 3,000, with a record crowd of 7,378 attending an FA Cup tie against Hastings United in 1953. The club also enjoyed further successes in the Sussex Senior Cup and RUR Charity Cup.

In 1971, after being known as "Town Club" for over 80 years, the club adopted its current name, Eastbourne Town FC. Unfortunately, the club's fortunes began to wane in the 1970s, and by 1976, declining attendances led to their resignation from the Athenian League. However, upon joining the Sussex County League, Eastbourne immediately lifted the championship and reached the Sussex Senior Cup final in their first sea.

The 1990s saw the installation of floodlights at the Saffrons, which helped the club stage resurgence. Despite some setbacks, including relegation in 2001, Eastbourne returned to form, achieving promotion in 2003.

In 2007, the club secured the Sussex County League Championship and was promoted to the Isthmian League. This period was notable for the club's efforts to improve the Saffrons, culminating in FA Community Club status. Despite a reprieve from relegation in 2010 and an 11th-place finish in 2013, the club couldn't avoid the drop in 2014, returning to the County League. However, Eastbourne Town remained competitive, finishing fourth in 2014-2015 and winning the Sussex RUR Charity Cup for the sixth time.

More recent years saw steady improvement in the Sussex County League, including a strong performance in the 2019 Sussex Senior Cup, where they reached the quarter-finals before losing to Brighton & Hove Albion's under-23 team.

In 2022, a change of management saw John Lambert step down after eight successful years, with Jude Macdonald, former manager of Whitehawk, taking over. Under Macdonald's guidance, Eastbourne Town finished second in the 2023-24 season, securing a place in the first-ever South Combination League play-offs. Victories over Hassocks in the semi-final and Newhaven in the final saw Eastbourne Town promoted back to the Isthmian League after a 10-year absence, marking a triumphant return to higher-level football for the club.
