CHAIRMAN'S PROGRAMME NOTES

Three Bridges vs AFC Whyteleafe

Good afternoon everyone, and a very warm welcome to Jubilee Field for today's league fixture against AFC Whyteleafe. I hope those from the away side had a safe journey down the M23 and please make yourselves at home and enjoy the facilities.

We of course had many great battles with the old Whyteleafe FC, who sadly went to extinction during the Covid pandemic due to no fault of their own. Kelly Walters and co. have rebuilt a phoenix club from scratch under the 'AFC' naming and the last few seasons have seen promotion after promotion and a Whyteleafe based team is rightly back playing Step 4 football.

Back to Bridges, and how good was Tuesday night?! Just the seven goals scored against what is widely known as a very strong Sheppey team, and a result that truly shows our intent for this season. After three defeats in a row a response was needed, and wow did the boys deliver!

Reece Hallard now leads the scoring charts of any Step 4 team throughout the whole country, and it was great to see Noel Leighton back fit and back scoring just 16 weeks after off-season surgery. Three poachers goals and the signs of a true number 9 that is getting back to his best.

For those Crawley Town and Cheltenham Town fans that may be joining us, we hope to give you an entertaining second football fix on your Saturday afternoon!

Here's to a great game, played in the right spirit. Best of luck to both sides — but of course, let's hope it's a Bridges win!

A HISTORY OF THREE BRIDGES FOOTBALL CLUB

Founded in 1901, Three Bridges joined the Mid Sussex Football League in 1902 and were Champions of that League for the first time in the 1907/08 season. Their first major success came in 1933/34, when they won the Sussex Junior Cup, and sundry other minor honours came their way before they joined the Sussex County Football League in 1952/53, and two years later were crowned Second Division Champions.

In 1962/63 they won the Division Two Invitation Cup and in 1968/69, 1973/74 and 1979/80 were Second Division Runners Up. 1970/71 produced an against-the-odds triumph when winning the League's Invitation Cup against Southwick (3-2). The 1980s heralded a run of successes, starting with reaching the last 16 of the FA Vase for the first time in 1981/82 before losing at Molesey (1-2). A season later they made it to the last 32 but also won the Sussex RUR Charity Cup for the first time, beating Hastings Town 3-2. Another year on saw them finish runners up in the Thorn EMI National six-a-side tournament, winning a set of floodlights. 1985/86 saw them finish as County League Division One runners up, a feat they repeated in both 1987/88 (when they also won the RUR Cup again) and 1988/89. A fire destroyed their clubhouse in 1993 which re-focused their priorities and ultimately resulted in relegation in 1996/97. They won the Division 2 League Cup a season later and then finished runners up in Division 2 to regain Division 1 status. They were RUR Cup runners up in 2003/04 and then winners of that same prestigious trophy in 2007/08. In season 2010/11 hopes were high when they started by winning their first nine League games, but eventually finished the season in 5th place. However, they did win the John O'Hara League Challenge Cup for the first time that season, beating Rye United 2-1, a tremendous feat that they achieved again in 2011/12, this time AFC Uckfield being defeated 2-1. It looked like being another tough League campaign when they lost four of the first nine matches, but then lost only one of the remaining 29 games, which was concluded by beating Championship rivals Rye United 1-0 at home on the final day of the season! This tremendous run meant the club had achieved its ambition and become Sussex County Football League Champions.

Their first season in the Ryman Isthmian Football League South Division saw them struggle for much of the time. However, having been 10 points adrift at the bottom of the table in mid-February, they went on a run of 11 matches that produced 7 victories, 2 draws and just 2 defeats, earning them Team of the Month Awards in both March and April as a result. It meant that they survived the drop, but their second season in the Ryman League saw them struggle at times again but some key signings midway through the season helped them to 19th place. The 2014/15 season saw an even greater improvement with a healthy mixture of youth and experience guiding them into 7th position and, whilst they were happy to score 94 League goals, they were less than happy about the 95 they conceded! They improved their defensive record in conceding 67 goals in season 2015/16 but only scored 59, hardly helped by long-term injuries to strike partners Allan Tait and Tony Garrod. With 66 points, they slumped to 14th position, although they only accumulated 6 points fewer than in the previous campaign!

Bridges maintained most of that season's squad for the 2016/17 campaign. However, with at least 11 first team players out injured by September, they had to use a lot of the U21s, Academy and U18s players and by November had lost 12 games in a row, drew three and won just one game. Towards the end of the season, they strengthened the squad but it was too late to avoid relegation. For the 2017/18 season, Bridges kept a few of the best of the players from the previous season and strengthened the team with more experienced players in the hope of promotion once again. Bridges also strengthened the management team with the additions of the experienced ex-Bridges player, Martin Dynan as Assistant Manager, and UEFA 'A' licensed Coach, Marc Wardley. That season turned out to be an extremely tough one with every team wanting to beat us. However, Bridges accomplished what they set out to do by gaining promotion back to the Isthmian League having finished second place in the Southern Combination League Premier Division, just one point behind the winners, Haywards Heath Town, and despite having only lost 3 games all season.

After serving 25 years with the Club as a manager, Paul Faili stood down as First Team Manager for the 2018/19 season in order to concentrate on his role as Club Chairman, and handed the management reins over to Martin Dynan, assisted by Liam Collins alongside Keith George. After losing 8 out of 12 League games by the end of November, as well as being knocked out of all four cup competitions, the future looked bleak for Martin Dynan. However, the team then went on an unbeaten run in December, earning Martin the League's Manager of the Month Award. Unfortunately, that didn't last, and Martin's demise was inevitable by the end of February, having lost 8 of the last nine games with relegation looming. Paul Faili stepped in for the remaining 9 games of the season attaining 4 wins, 2 draws and 3 losses – enough for a 14th place finish and 14 points clear of relegation.

Paul remained as Manager, ably assisted by Keith George and coached by Jamie Crellin who played for the Club for five seasons, but sadly had to hang up his boots after sustaining an ankle injury early in the 2018/19 season, after making 164 appearances for the Club. First Team player, Brannon O'Neill, was appointed as U18s Manager. 2021/22 saw Jamie Crellin take over as First Team Manager, with Danny Lee (former Academy manager) returning to the club to join Jamie in the dugout as Assistant Manager. The 2022/23 season saw Brannon O'Neill appointed as Assistant Manager following Danny Lee's departure to Whitehawk and Joe Kay joined as First Team Coach. The team finished in their highest ever League position (fourth) but were beaten in the final of the Play Offs at home to Chichester City.

Brannon moved to Burgess Hill Town in the summer of 2024, so Joe Kay is now Jamie's Assistant Manager with Ross Ball in the role of Goalkeeping Coach.

The 2024/25 season was a monumental year for the football club, as the long planned 3G pitch facility development took place. This meant starting the season playing home games out of Chatham Town FC, but by Boxing Day the First Team were back home and by January 2025 the 3G pitch was in full use by men's, women's and youth teams of Three Bridges FC, as well as users from the local community, schools, colleges and charities. On the pitch, after being in the relegation zone in November, the team finished in a respectable 8th place after making a late but unsuccessful push for the play-offs.

The majority of the 2024/25 team have remained at the club, with Dan Perry returning during pre-season and further additions made in Sam Roberts, Charlie Bennett and Ade Adeyinka.

A HISTORY OF AFC WHYTELEAFE

AFC Whyteleafe was formed in 2021 by Kelly Waters, replacing another club, Whyteleafe FC, which had existed immediately before. Waters had hoped to purchase the Church Road premises before it was sold to Irama Sports in February 2021, but he discovered the auction a week too late, and the sale to Irama went through. Following the withdrawal of Whyteleafe FC from the Isthmian League, and inspired by the story of AFC Wimbledon in 2002, AFC Whyteleafe was born.

The new club was granted a position in the Surrey South Eastern Combination League for the 2021/22 season, having formed a merger of registration with the Balham B team. This still left the club with less than one month to build a squad from scratch, ready for their debut match on 4th September 2021 at home to Earlsfield.

A crucial part of the successful formation of the club was securing a ground. Church Road was the preferred choice, and a four-year deal was reached with Irama to play there.

Following a successful first season, AFC Whyteleafe merged with Whyteleafe Youth FC and Whyteleafe Women ahead of the 2022/23 season to form one AFC Whyteleafe club comprising a men's first team, U23s, women's team, and 30 Youth teams from U7 to U18.

In May 2022, the club was admitted into the Southern Counties East League Division One, which sits at Step 6 in the National League System. The club achieved a respectable 8th-place finish in its debut season at Step 6. The following season, the club was promoted as champions.

In the following season, 2024/25, Whyteleafe won the Combined Counties South league, gaining promotion to Step 4 in the Isthmian South East league and making a historic appearance in the FA Vase Final at Wembley, where they narrowly lost 2-1 in Extra Time to Whitstable Town.

MATCH REPORT

ASCOT UNITED 2-0 THREE BRIDGES

FA TROPHY FIRST QUALIFYING ROUND

FRIDAY 5 AUGUST 2025

Two early giveaway goals saw Bridges knocked out of the FA Trophy under the Friday night lights of an impressive setup at Ascot United.

The home side setup to frustrate Bridges normal passing game, and this succeeded after just 3 minutes. Woollard was caught on the ball in midfield, Roberts was miles off his line, and JAHEIM KAMARA took full advantage.

And it was JAHEIM KAMARA who doubled Ascot's lead on 15 minutes. The ball was deflected off the wall from a free-kick and the Ascot striker reacted the quickest to the loose ball to bag his second goal of the game.

Bridges seemed shell shocked and did not get into the game until the half hour mark. Leighton, Velvick and Hallard had chances before the break, but could not find a way past Kie Plumley in the Ascot goal.

Bridges huffed and puffed in the second-half, dominating the ball, with Leighton and substitute Fisher having the best chances, but still Kie Plumley parried shots away.

A Reece Hallard missed penalty in the 90th minute summed up the match for Bridges; you just know when it's not going to be your night...

Bridges get back to league action and are at home in the next three games against Sheppey United (9th), AFC Whyteleafe (13th) and Jersey Bulls (16th).
