CHAIRMAN'S PROGRAMME NOTES

Three Bridges vs Hastings United

A very warm welcome to everyone joining us today for our first-ever **Community Day** here at Three Bridges FC, which has kindly been sponsored by Club President Alan Bell and his wife Hazel. This is a day to celebrate everything positive about our club, from fairground attractions to the Keepy-Uppy Competition and I truly hope you're enjoying it all. Seeing so many children, parents and families here is exactly why Chris and I worked so hard to bring the 3G pitch to life.

We're also delighted to welcome the travelling Hastings United supporters who have made the journey to be with us today. It's wonderful that you're able to share in the festivities.

Days like this don't just happen. They're made possible by the dedication and hard work of so many people behind the scenes. My heartfelt thanks go to everyone who helped organise today and especially to our Youth Chairman, **Graham McDonnell**, whose tireless efforts have been nothing short of outstanding.

On the pitch, we're eager to get back to winning ways against today's visitors. We've not beaten Hastings United since February 2016, a result that seems a long time ago now but whatever today brings, I know our players and coaches will give their all.

Above all, today is a celebration of youth football. I'm incredibly proud of our youth coaches and managers who pour so much time and passion into developing our players. Their work underpins the future of this club.

Sadly, we must also pause to remember a young life lost. All of us at Three Bridges FC send our deepest condolences to the family, friends, and teammates of **Billy Vigar**, the former Hastings United player who tragically passed away on Thursday following a traumatic injury sustained whilst playing for Chichester City. As a mark of respect and to celebrate Billy's life, we will hold a minute's applause before kick-off.

Rest in peace, Billy Vigar.

A HISTORY OF THREE BRIDGES FOOTBALL CLUB

Founded in 1901, Three Bridges joined the Mid Sussex Football League in 1902 and were Champions of that League for the first time in the 1907/08 season. Their first major success came in 1933/34, when they won the Sussex Junior Cup, and sundry other minor honours came their way before they joined the Sussex County Football League in 1952/53, and two years later were crowned Second Division Champions.

In 1962/63 they won the Division Two Invitation Cup and in 1968/69, 1973/74 and 1979/80 were Second Division Runners Up. 1970/71 produced an against-the-odds triumph when winning the League's Invitation Cup against Southwick (3-2). The 1980s heralded a run of successes, starting with reaching the last 16 of the FA Vase for the first time in 1981/82 before losing at Molesey (1-2). A season later they made it to the last 32 but also won the Sussex RUR Charity Cup for the first time, beating Hastings Town 3-2. Another year on saw them finish runners up in the Thorn EMI National six-a-side tournament, winning a set of floodlights. 1985/86 saw them finish as County League Division One runners up, a feat they repeated in both 1987/88 (when they also won the RUR Cup again) and 1988/89. A fire destroyed their clubhouse in 1993 which re-focused their priorities and ultimately resulted in relegation in 1996/97. They won the Division 2 League Cup a season later and then finished runners up in Division 2 to regain Division 1 status. They were RUR Cup runners up in 2003/04 and then winners of that same prestigious trophy in 2007/08. In season 2010/11 hopes were high when they started by winning their first nine League games, but eventually finished the season in 5th place. However, they did win the John O'Hara League Challenge Cup for the first time that season, beating Rye United 2-1, a tremendous feat that they achieved again in 2011/12, this time AFC Uckfield being defeated 2-1. It looked like being another tough League campaign when they lost four of the first nine matches, but then lost only one of the remaining 29 games, which was concluded by beating Championship rivals Rye United 1-0 at home on the final day of the season! This tremendous run meant the club had achieved its ambition and become Sussex County Football League Champions.

Their first season in the Ryman Isthmian Football League South Division saw them struggle for much of the time. However, having been 10 points adrift at the bottom of the table in mid-February, they went on a run of 11 matches that produced 7 victories, 2 draws and just 2 defeats, earning them Team of the Month Awards in both March and April as a result. It meant that they survived the drop, but their second season in the Ryman League saw them struggle at times again but some key signings midway through the season helped them to 19th place. The 2014/15 season saw an even greater improvement with a healthy mixture of youth and experience guiding them into 7th position and, whilst they were happy to score 94 League goals, they were less than happy about the 95 they conceded! They improved their defensive record in conceding 67 goals in season 2015/16 but only scored 59, hardly helped by long-term injuries to strike partners Allan Tait and Tony Garrod. With 66 points, they slumped to 14th position, although they only accumulated 6 points fewer than in the previous campaign!

Bridges maintained most of that season's squad for the 2016/17 campaign. However, with at least 11 first team players out injured by September, they had to use a lot of the U21s, Academy and U18s players and by November had lost 12 games in a row, drew three and won just one game. Towards the end of the season, they strengthened the squad but it was too late to avoid relegation. For the 2017/18 season, Bridges kept a few of the best of the players from the previous season and strengthened the team with more experienced players in the hope of promotion once again. Bridges also strengthened the management team with the additions of the experienced ex-Bridges player, Martin Dynan as Assistant Manager, and UEFA 'A' licensed Coach, Marc Wardley. That season turned out to be an extremely tough one with every team wanting to beat us. However, Bridges accomplished what they set out to do by gaining promotion back to the Isthmian League having finished second place in the Southern Combination League Premier Division, just one point behind the winners, Haywards Heath Town, and despite having only lost 3 games all season.

After serving 25 years with the Club as a manager, Paul Faili stood down as First Team Manager for the 2018/19 season in order to concentrate on his role as Club Chairman, and handed the management reins over to Martin Dynan, assisted by Liam Collins alongside Keith George. After losing 8 out of 12 League games by the end of November, as well as being knocked out of all four cup competitions, the future looked bleak for Martin Dynan. However, the team then went on an unbeaten run in December, earning Martin the League's Manager of the Month Award. Unfortunately, that didn't last, and Martin's demise was inevitable by the end of February, having lost 8 of the last nine games with relegation looming. Paul Faili stepped in for the remaining 9 games of the season attaining 4 wins, 2 draws and 3 losses – enough for a 14th place finish and 14 points clear of relegation.

Paul remained as Manager, ably assisted by Keith George and coached by Jamie Crellin who played for the Club for five seasons, but sadly had to hang up his boots after sustaining an ankle injury early in the 2018/19 season, after making 164 appearances for the Club. First Team player, Brannon O'Neill, was appointed as U18s Manager. 2021/22 saw Jamie Crellin take over as First Team Manager, with Danny Lee (former Academy manager) returning to the club to join Jamie in the dugout as Assistant Manager. The 2022/23 season saw Brannon O'Neill appointed as Assistant Manager following Danny Lee's departure to Whitehawk and Joe Kay joined as First Team Coach. The team finished in their highest ever League position (fourth) but were beaten in the final of the Play Offs at home to Chichester City.

Brannon moved to Burgess Hill Town in the summer of 2024, so Joe Kay is now Jamie's Assistant Manager with Ross Ball in the role of Goalkeeping Coach.

The 2024/25 season was a monumental year for the football club, as the long planned 3G pitch facility development took place. This meant starting the season playing home games out of Chatham Town FC, but by Boxing Day the First Team were back home and by January 2025 the 3G pitch was in full use by men's, women's and youth teams of Three Bridges FC, as well as users from the local community, schools, colleges and charities. On the pitch, after being in the relegation zone in November, the team finished in a respectable 8th place after making a late but unsuccessful push for the play-offs.

The majority of the 2024/25 team have remained at the club, with Dan Perry returning during pre-season and further additions made in Sam Roberts, Charlie Bennett and Ade Adeyinka.

A HISTORY OF HASTINGS UNITED FC

The present Hastings United Football Club appears to have existed continuously since 1901 having undergone three changes of name. One consequence of those name changes has been that the club's history has become inclined to be interwoven with that of other clubs with similar names and only recently may its history have been disentangled which is why this what is considered accurate history may now read somewhat differently to previous versions. The origins of the club began with the founding of old town side Rock-A-Nore in 1894; however, five years later they became defunct but in 1901 a new club started-up using the same name. In April 1921 it was agreed to change the name to Hastings and St. Leonards Football Club.

Another name change to "Hastings Town" was passed in the 1960's, but then in June 1985, the already existing "Hastings United" ceased trading when it was found they could no longer sustain their accumulated debts. Hastings Town made application to take over their Southern League place but Witney objected as United's demise had saved them from relegation from the Premier Division and, instead, Town were offered a place in the League's Southern Division. Several ex-United players joined Town and the unified side featured in the promotion race during their first two seasons but just missed out finishing third and fourth in 1986 and 1987, respectively.

Season 1998/99 saw an attempt to transfer to the Isthmian League refused but having resigned from the Southern League they were only accepted back as new entrants and started season 1999/2000 in the Eastern Division which they won in 2002. At this time the club finally acquired the company name Hastings United and since have played under that title.

Promoted to the Premier Division a twentieth position finish saw them make an immediate return to the Eastern Division but a first appearance was made in the F.A. Challenge Cup competition proper when the side went through to the first round proper after winning in a replay at Kettering Town. Sadly, there was to be no meeting with a Football League side to evoke memories of their namesake's glorious cup history, instead it was a visit to another Conference side, Stevenage Borough, where the dream ended with a 0-1 defeat. Relegation and the F.A.'s Non-League restructuring moved the side into the *Ryman* Isthmian League where they finished in eleventh and twelfth places in Division One in 2005 and 2006. Following a fourth place finish in season 2006/07, promotion to the Premier Division was won by defeating second placed Tooting & Mitcham United in the end of season play-off final.

The 2009/10 season was United's most successful since gaining promotion. They looked likely to make the end of season play-offs until a late dip in form saw them finish in seventh place. They reached the semi-finals of the Sussex Senior Cup, losing to Brighton & Hove Albion but found no success in the FA Cup, FA Trophy or League Cup.

Manager Tony Dolby left the club in December 2010 and was replaced by Jason Hopkinson who was previously assistant manager at Lewes. Results picked up which enable the club to retain its Premier Division status. Results in the cup competitions were again disappointing. Jason left the Club during October 2011 following a disappointing start to the season and was replaced by central defender Sean Ray. United again found themselves in a relegation battle but managed to preserve their Premier Division status.

A poor league season in 2012/13 saw the club relegated from the Ryman League Premier Division. There was considerable cup success, however. An FA Cup run saw United reach the third round proper before losing 4-1 away to Championship side Middlesbrough. They also reached the semi-finals of the League Cup, losing away to Concord Rangers, and the Sussex Senior Cup when they lost 1-0 to Bognor Regis Town.

Three days prior to the start of the new season manager Sean Ray resigned his position. Assistant Mark Stapley and coach Terry White are in temporary charge. John Maggs was appointed as manager towards the end of August 2013, formerly with Crawley Town, Horsham and Crawley Down Gatwick.

John Maggs was dismissed towards the end of January 2014 and replaced by former player Terry White. Two other managerial changes were made during the season when results were disappointing especially as many had tipped the club to be challenging for a play-off place.

Towards the end of season 2014/15 the club changes hands when a new board of directors was appointed. Garry Wilson was appointed as manager during the close season with Danny Bloor joining as assistant manager.

Garry Wilson and Danny Bloor stepped down at the end of the 2015/16 season to be replaced by former United player Darren Hare who had previously been with Gillingham FC undertaking a number of roles including caretaker manager. Darren rebuilt the squad during the close-season with a number of new signings.

After an excellent season which ended with a play-off semi-final defeat, on penalties, away to Dorking Wanderers, Darren Hare resigned. His replacement was Adam Hinshelwood who once again had to rebuild the side as a number of players moved on. Adam resigned during September 2017 to take on the managers role at Worthing FC and was replaced by his assistant Chris Agutter who remained at the helm on a full time basis until his resignation at the end of October 2021. November 2021 saw Gary Elphick appointed as Men's First Team manager with Andrew Brown as coach and Jon Meeney brought in to strengthen the coaching staff as Assistant Manager.

Season 2021/22 see the 'U's achieve promotion by winning the Isthmian League South East Division and taking their place back at Step 3 for the first time since 2013.

Following an 8th place finish in the Isthmian Premier for 2022/23, missing the play-off spots by just three points and goal difference, the Club underwent an ownership and management change with Dean White becoming Club Chairman. Chris Agutter returned to the role of First Team manager towards the end of October 2023. Following a 7th place league finish and reaching the Final of the Sussex Transport Senior Cup, Agutter resigned to take up the vacant managers role of National League South Worthing FC.

Ahead of the 2024/25 campaign, the Club appointed Danny Bloor as First Team manager. He in turn appointed Sean Ray as his assistant. Following Bloor's departure last October, Sean took over as Caretaker Interim Manager. At the beginning of December 2024 Danny Searle was appointed as Men's First Team Manager. Danny Searle parted company with the club at the end of March 2025 with Dean White overseeing first team affairs, assisted by former club captain, Lee Carey, until the end of the season.

The Club announced Lee Carey as new Men's First Team manager for the 2025/26 season on 20th May 2025.

MATCH REPORT

ASHFORD UNITED 1-2 THREE BRIDGES

ISTHMIAN LEAGUE SOUTH EAST DIVISION

TUESDAY 23 SEPTEMBER 2025

Three Bridges continued their impressive start to the Isthmian South-East campaign with a hard-fought 2–1 victory away at Ashford United — a result that briefly looked in jeopardy during a chaotic stoppage-time finale.

Ashford, widely tipped as play-off contenders despite a poor start to the season, offered a stern test, but it was Bridges who set the tone early and deservedly led at the break thanks to goals from Charlie Bennett and Noel Leighton.

Bridges came flying out of the blocks and took the lead in the 11th minute. Noel Leighton's pressing won the ball high up the pitch and his through-ball released Kevin Rivera. Though Rivera's shot was parried by the Ashford keeper, CHARLIE BENNET was on hand to tuck away the rebound.

The visitors dominated much of the first half, registering eight corners in the opening 30 minutes, but were grateful to Bryan Villavicencio for a stunning goal-line clearance to deny Louis Collins during a rare Ashford counter.

A moment of confusion followed in the 39th minute when a Josh Hallard cross was spilled into the net by the Ashford keeper — only for the assistant referee to raise a late offside flag, much to the bemusement of the Bridges players and fans.

There was no controversy in the second minute of first-half stoppage time. Hayden Velvick's surging run down the right ended with a low ball into the box. Ade Adeyinka missed his kick, but NOEL LEIGHTON was alert and finished calmly to double Bridges' lead heading into half-time.

The second half was less eventful, with Bridges managing the game well and limiting Ashford to half chances.

In the 94th minute, Sam Bull made a second vital goal-line clearance to preserve the two-goal lead, but the drama wasn't over yet. Lockyer pulled one back for Ashford in the 97th minute following a corner, setting up a nervy finish.

Then, in the 98th, Louis Collins looked set to rescue a point for Ashford with an overhead kick destined for the top corner — only for Sam Roberts to produce a sensational fingertip save onto the crossbar. Already a contender for save of the season, it ensured Bridges left with all three points.
