The Isthmian Football League strongly supports the Football Association's statement that there should be a zero-tolerance approach against all forms of discrimination. Any inappropriate conduct towards others, including but not limited to that based on an individual's sex, race, colour, weight, size, religion and belief, national origin, age, marital or domestic-partnership status, disability, sexual orientation, or gender identity or expression, will not be tolerated and will be reported to the relevant authorities. The Isthmian League and our Member Clubs are committed to promoting equity and equality by treating all people fairly and with respect, by recognising that inequalities may exist, by taking steps to address them and providing access and opportunities for all members of our communities.

Good evening, everyone and welcome back to Jubilee Field for tonight's Isthmian Premier Division fixture against Leatherhead.

Firstly, I would like to extend a very warm welcome to the directors, officials, management team, players and supporters of Leatherhead Football Club. I hope you enjoy your evening with us and, as always, have a safe journey home afterwards although hopefully without the three points!

Tonight's opponents arrive here having enjoyed a fantastic campaign last season. Leatherhead were crowned champions of the Isthmian South Central Division, finishing an impressive 12 points clear at the top. They lost just six of their 42 league games and scored an incredible 102 goals along the way.

That achievement earned them promotion back to Step 3 and much like ourselves, they are now adjusting to the demands of football at this level.

They certainly appear to be adapting very well. Leatherhead come into tonight sitting seventh in the Premier Division with 14 points from their opening eight matches. That tells us everything we need to know about the challenge we face this evening.

For ourselves, this season has already demonstrated just how unforgiving Step 3 football can be.

There are no easy games. Small mistakes get punished and you have to compete for every single point. But I continue to believe enormously in this group of players and our management team.

We have already shown what we are capable of. Our comeback at Dulwich, followed by that fantastic victory here against previously unbeaten Carshalton Athletic, showed the character that exists within this squad.

There will inevitably be ups and downs during our first season at this level, but we must remember how far this football club has come. Last season we were celebrating becoming champions ourselves and now we are competing against some excellent clubs at Step 3.

We should be proud of that journey while continuing to push ourselves forward.

As always, a huge thank you must go to everyone who helps make matchdays possible here at Jubilee Field. Our volunteers, bar staff, ground staff, stewards, sponsors and everyone working behind the scenes put in countless hours for this football club. It never goes unnoticed.

And finally, to our supporters – keep getting behind the boys.

We have seen already just how much difference a noisy Jubilee Field can make. Tonight we are up against another very good side, and the players will need you with them from the first whistle until the last.

Enjoy the game, get behind Jamie and the boys and let's see if we can make it another memorable night under the lights.

Come on you Bridges!

THREE BRIDGES F.C.

A HISTORY OF THREE BRIDGES FOOTBALL CLUB FOUNDED: 1901

Founded in 1901, Three Bridges joined the Mid Sussex Football League in 1902 and claimed their first league championship in the 1907/08 season. Their first significant triumph came in 1933/34 with a Sussex Junior Cup victory, followed by a series of minor honours before they entered the Sussex County Football League in 1952/53. Two years later, they were crowned Second Division Champions.

In 1962/63, they won the Division Two Invitation Cup, and were Second Division runners-up in 1968/69, 1973/74, and 1979/80. A notable achievement came in 1970/71 when they defied expectations to win the League's Invitation Cup against Southwick (3-2). The 1980s saw a string of successes, beginning with reaching the last 16 of the FA Vase in 1981/82, narrowly losing to Molesey (1-2). The following season, they reached the last 32 and captured the Sussex RUR Charity Cup for the first time, defeating Hastings Town 3-2. They finished runners-up in the Thorn EMI National six-a-side tournament the next year, earning a set of floodlights.

The mid-to-late 1980s were particularly strong: Division One runners-up in 1985/86, repeating the feat in 1987/88 (also winning the RUR Cup again) and 1988/89. A fire destroyed their clubhouse in 1993, which refocused club priorities and led to relegation in 1996/97. They bounced back by winning the Division 2 League Cup in 1997/98 and finishing as Division 2 runners-up to regain Division 1 status. RUR Cup runners-up in 2003/04, they claimed the trophy in 2007/08.

The 2010/11 season started strongly with nine consecutive league wins, though they ultimately finished 5th. However, they won the John O'Hara League Challenge Cup for the first time, defeating Rye United 2-1—a feat repeated in 2011/12 with a 2-1 victory over AFC Uckfield. After a rocky start in one season losing four of the first nine matches, they went on a 29-game stretch with just a single defeat, finishing as Sussex County Football League Champions after a decisive 1-0 win over rivals Rye United.

Their debut season in the Ryman Isthmian League South Division was challenging, but an 11-match run late in the season, including seven wins, secured survival and earned Team of the Month Awards in March and April. Subsequent seasons saw fluctuating results, with mid-season signings helping them avoid relegation and later achieving 7th place in 2014/15, though defensive issues remained. The 2015/16 season saw improved defence but fewer goals scored, leading to a 14th-place finish with 66 points—only six fewer than the previous season.

The 2016/17 campaign was hit hard by injuries, forcing reliance on U21, Academy, and U18 players. Despite squad reinforcements later, relegation could not be avoided. In 2017/18, a strengthened squad and management team, including ex-player Martin Dynan as Assistant Manager and UEFA 'A' licensed Coach Marc Wardley, helped Three Bridges finish second in the Southern Combination League Premier Division, earning promotion back to the Isthmian League.

After 25 years as manager, Paul Faili stepped down in 2018/19 to focus on his role as Club Chairman, handing management to Martin Dynan, assisted by Liam Collins and Keith George. Despite a poor start, a brief unbeaten run earned Dynan Manager of the Month, but he departed after continued struggles. Paul Faili returned for the final nine games, securing a 14th-place finish, 14 points clear of relegation.

Paul remained in charge as manager, supported by Keith George, with coaching duties undertaken by Jamie Crellin, who later retired through injury after making 164 appearances. For the 2021/22 season, Crellin stepped up to become First Team Manager, with Danny Lee appointed as his assistant. Ahead of 2022/23, Brannon O'Neill took on the role of Assistant Manager, while Joe Kay joined the staff as First Team Coach. That campaign proved a remarkable one, as Three Bridges recorded what was then their highest-ever league finish, securing fourth place, although they were ultimately beaten by Chichester City in the playoff final.

In May 2024, Brannon O'Neill departed for Burgess Hill Town, resulting in Joe Kay moving into the Assistant Manager role alongside Jamie Crellin, with Ross Ball joining the coaching setup as Goalkeeping Coach. The 2024/25 season represented a significant milestone with the unveiling of the club's new 3G pitch on 26 December 2024. During construction, home fixtures were temporarily staged at The Bauvill Stadium in Chatham between August and early December. By January 2025, the new facility was fully operational, providing a major boost for the Men's, Women's and youth sides, as well as the local community. On the pitch, despite sitting in the relegation places as late as November, a strong second half of the season saw the team climb to an impressive 8th-place finish.

Much of the 2024/25 squad carried over into the 2025/26 campaign, supplemented by the additions of Sam Roberts, Charlie Bennett and Ade Adeyinka, as the club embarked on a historic season celebrating its 125th Anniversary. The Men's First Team produced outstanding league form throughout, sweeping aside opponents and comfortably securing the Isthmian League South East Division title with 96 points, finishing 11 clear of second-placed Croydon Athletic. Noel Leighton was also crowned the league's top scorer, registering 31 goals.

Capping off a memorable season, the Men's First Team reached the Sussex Transport Senior Cup Final, overcoming National League South sides Horsham and Worthing along the way, before lifting the trophy on penalties against Brighton & Hove Albion's U21's at the Amex Stadium. The league and cup double was secured amid widespread celebrations. Across all competitions, the side scored over 150 goals, with Noel Leighton, Reece Hallard and Charlie Bennett contributing a remarkable, combined total of 95.

Success extended beyond the Men's side, with the Women's First Team completing a treble by winning the SCWGFL Premier Division, SCWGFL Challenge Cup and Combined Counties Trophy. The U18's also enjoyed their most successful league campaign to date in the Isthmian Youth League East Division, while reaching the County Cup Final for the first time. It was a truly exceptional 2025/26 season across the entire club, one that will be remembered fondly for many years to come.

A HISTORY OF LEATHERHEAD FOOTBALL CLUB FOUNDED: 1907

Leatherhead Football Club can trace its origins back to 1907, when Leatherhead Rose was formed. The club quickly established itself locally, winning the Dorking & District League championship in 1910 before joining the Kingston & District League in 1919, where they went on to win the title three times, the last coming in 1938/39.

A second local club, Leatherhead United, was formed in 1924. United enjoyed considerable success during the following years, winning the Sutton & District League Division One in 1925/26 and becoming Surrey Junior League champions in 1933/34.

Following the Second World War, officials from the two clubs met and, at a public meeting in May 1946, Leatherhead Football Club was officially formed. United's Fetcham Grove ground became the new club's home, and the Tanners immediately enjoyed success, winning four consecutive Surrey Senior League championships. The club subsequently competed in the Metropolitan, Delphian and Corinthian Leagues.

One of the first major landmarks came in 1963, when Leatherhead were crowned Corinthian League champions. They subsequently moved into the Athenian League, winning promotion from Division One in their first season. The club's floodlights were also inaugurated with a prestigious fixture against Fulham. Six years later, in 1969, Leatherhead won the Surrey Senior Cup for the first – and to date only – time in their history.

The Tanners enjoyed their greatest national prominence during the 1974/75 FA Cup. After entering the Isthmian League, Leatherhead embarked on a remarkable run to the Fourth Round Proper, defeating Football League opposition in Colchester United and Brighton & Hove Albion before narrowly losing 3–2 to First Division Leicester City. Further memorable FA Cup victories over Cambridge United and Northampton Town followed in subsequent seasons.

In 1978, Leatherhead reached Wembley Stadium for the first time, having previously suffered semi-final defeats in the FA Amateur Cup in 1971 and 1974. Their Wembley appearance came in the FA Trophy Final, although the Tanners were ultimately beaten.

The following years proved considerably more difficult. The club suffered relegation in 1983 and again in 1990, dropping into Division Two South, before returning to Division One in 1997. Financial difficulties then threatened the very existence of the club, and in the summer of 2000 Leatherhead came within days of folding. The club was rescued following a crisis meeting, with supporters stepping forward to take control and secure its future.

There were more memorable FA Cup adventures in the years that followed. In 2006/07, Leatherhead became the lowest-ranked side remaining in the First Round Proper, eventually losing 2–1 away to Torquay United. Under manager Mick Sullivan, the club enjoyed another highly successful period in 2009, winning the Isthmian League Cup, finishing fifth in the league and reaching the play-off semi-finals.

The following season brought promotion back to the Premier Division, as Leatherhead defeated Dulwich Hamlet 4–3 after extra time in a dramatic play-off. Although their stay at that level lasted only one season, the Tanners returned to the Ryman Premier Division in 2013/14 after defeating Guernsey and overcoming Folkestone Invicta on penalties.

The club continued to produce memorable cup runs and strong league campaigns, including an FA Cup Second Round appearance and a County Cup Final under Sammy Moore in 2017. However, another difficult period culminated in relegation in 2022, before a strong recovery saw the club climb the table under Hayden Bird.

In 2024, former Arsenal, Fulham and Wimbledon midfielder Ian Selley was appointed First Team Manager. Under his leadership, Leatherhead produced a remarkable 2025/26 campaign, storming to the Isthmian South Central Division title with 96 points and 102 goals, remaining unbeaten away from home in the process.

The championship was particularly significant, representing Leatherhead's first league title since 1963 and securing a return to Step 3 football. After decades of highs and lows, memorable cup victories, financial adversity and the unwavering support of the Tanners faithful, Leatherhead FC had once again reached the level where many believe this historic club belongs.

MATCH REPORT
WHITEHAWK 3-2 THREE BRIDGES
ISTHMIAN LEAGUE PREMIER DIVISION
TUESDAY 15 SEPTEMBER 2026

Three Bridges' poor run of form continued on a Tuesday night at Whitehawk as they suffered another disappointing defeat, going down 3–2 in the Isthmian Premier Division.

Bridges made the brighter start and thought they had taken the lead in the 14th minute. Velvick's cross was flicked on by Rivera towards Adeyinka, who arrived from behind two Whitehawk defenders to apply the finishing touch. However, after what seemed an age, the assistant referee eventually raised his flag for offside, sparking huge protests from the Bridges players and travelling supporters.

The visitors continued to dominate, but Whitehawk began to show their threat as the half progressed. Billy Irving was forced into a huge goal-line clearance after Kamarni Ryan's effort looked destined for the net.

Whitehawk then took the lead in the 26th minute when Josh Hallard was penalised for handball inside the area. Seokjae Lee stepped up from the spot and made no mistake to put the hosts 1–0 ahead. Bridges struggled to shake off the setback and the hosts began to exploit significant gaps in midfield. Whitehawk doubled their advantage when Kamarni Ryan powered home to make it 2–0.

Bridges desperately needed a response and were handed a fortunate break in the 35th minute. An awful goal kick from the Whitehawk goalkeeper fell straight to Villavicencio, who immediately played Leighton through on goal. The Bridges captain kept his composure to reduce the deficit to 2–1.

The visitors then came agonisingly close to an equaliser before the break. Adeyinka's ball across the face of goal was just inches behind Leighton, who was facing what appeared to be an open goal but could not quite make the necessary connection.

Bridges got the perfect start to the second half, restoring parity just a minute after the restart. In the 46th minute, Adeyinka's effort took a deflection and found its way into the net to make it 2–2.

Parity, however, would last just 14 minutes. In the 60th minute, another ball was given away cheaply in midfield, once again exposing gaps through both the midfield and defence. Kamarni Ryan took full advantage, finishing clinically to complete his brace and restore Whitehawk's lead at 3–2.

For the remainder of the match, Bridges had the initiative as they pushed forward in search of another equaliser. Whitehawk did have one huge opportunity on the break, with an effort crashing back off the crossbar, but for the most part it was the visitors who were asking the questions.

Unfortunately for Bridges, too much of their attacking play was rushed. Despite having the initiative, the visitors struggled to turn their possession and pressure into clear-cut chances, with a lack of confidence apparent during the closing stages, and the final whistle confirmed another frustrating night for the amber and black as Whitehawk secured a 3–2 victory, leaving Bridges still searching for a way out of their difficult run.

Bridges Team: Roberts, Ferreira (Chambers), J Hallard, Adeyinka, Bull, Villavicencio (Bennett), Leighton (C), Rivera, R Hallard (Wifa), Velvick, Irving.
Unused Subs: Holden, Dupray
Booked: Leighton, Wifa
