The Isthmian Football League strongly supports the Football Association's statement that there should be a zero-tolerance approach against all forms of discrimination. Any inappropriate conduct towards others, including but not limited to that based on an individual's sex, race, colour, weight, size, religion and belief, national origin, age, marital or domestic-partnership status, disability, sexual orientation, or gender identity or expression, will not be tolerated and will be reported to the relevant authorities. The Isthmian League and our Member Clubs are committed to promoting equity and equality by treating all people fairly and with respect, by recognising that inequalities may exist, by taking steps to address them and providing access and opportunities for all members of our communities.

Good afternoon everyone, and welcome to Jubilee Field for today's Isthmian Premier Division fixture against today's visitors, top of the table Enfield Town.

Firstly, a warm welcome to the players, management, officials and supporters of Enfield Town. We hope you enjoy your visit to Three Bridges, although naturally we'll be hoping the points remain in Sussex!

Looking back through the club's history, I haven't been able to establish a previous competitive meeting between the two sides, so today's encounter could well be a first. Enfield arrive in excellent form, and their recent victories over Dulwich Hamlet and Carshalton Athletic suggest we have another difficult afternoon ahead.

Turning to Tuesday evening, I must admit the 2–1 defeat against Lewes was particularly disappointing. Not because we played badly, far from it. I felt that against a very good Lewes side, a 1–1 draw would have been a fair reflection of the game. Unfortunately, football doesn't always reward you with what you deserve, and we were left with nothing to show for our efforts.

Nevertheless, there were plenty of positives to take from the performance, and I hope the players recognise that. At this level, the margins between success and disappointment can be incredibly small. Our victory at Stanway Rovers last Saturday, courtesy of Noel Leighton's wonderful hat-trick, was a timely reminder of the quality we possess. Hopefully, that goalscoring form continues this afternoon.

One of the pleasures of being Chairman is recognising individuals who make a real contribution to the football club, and today I'm delighted to congratulate Kevin Rivera, our Player of the Month for September. Kevin's performances and commitment have earned him this recognition, and it's thoroughly deserved. His award will be presented by representatives of today's matchday sponsor, Spartan Decorating Company, to whom I extend my sincere thanks for their generous support.

Sponsorship is absolutely vital to clubs like ours. Without the backing of local businesses, volunteers and supporters, the progress we've made over recent years simply wouldn't have been possible.

As I've said before, our promotion to Step 3 was never going to make life easier, but we've worked incredibly hard to reach this level and have no intention of surrendering our place without a fight. I remain confident in Jamie, his management team and this group of players. The spirit, commitment and togetherness that brought us success last season will be just as important this year.

Finally, thank you all for your continued support. Let's get behind the lads, enjoy the football and hopefully celebrate three valuable points this afternoon. Up The Bridges!

1901
THREE BRIDGES F.C.

A HISTORY OF THREE BRIDGES FOOTBALL CLUB FOUNDED: 1901

Founded in 1901, Three Bridges joined the Mid Sussex Football League in 1902 and claimed their first league championship in the 1907/08 season. Their first significant triumph came in 1933/34 with a Sussex Junior Cup victory, followed by a series of minor honours before they entered the Sussex County Football League in 1952/53. Two years later, they were crowned Second Division Champions.

In 1962/63, they won the Division Two Invitation Cup, and were Second Division runners-up in 1968/69, 1973/74, and 1979/80. A notable achievement came in 1970/71 when they defied expectations to win the League's Invitation Cup against Southwick (3-2). The 1980s saw a string of successes, beginning with reaching the last 16 of the FA Vase in 1981/82, narrowly losing to Molesey (1-2). The following season, they reached the last 32 and captured the Sussex RUR Charity Cup for the first time, defeating Hastings Town 3-2. They finished runners-up in the Thorn EMI National six-a-side tournament the next year, earning a set of floodlights.

The mid-to-late 1980s were particularly strong: Division One runners-up in 1985/86, repeating the feat in 1987/88 (also winning the RUR Cup again) and 1988/89. A fire destroyed their clubhouse in 1993, which refocused club priorities and led to relegation in 1996/97. They bounced back by winning the Division 2 League Cup in 1997/98 and finishing as Division 2 runners-up to regain Division 1 status. RUR Cup runners-up in 2003/04, they claimed the trophy in 2007/08.

The 2010/11 season started strongly with nine consecutive league wins, though they ultimately finished 5th. However, they won the John O'Hara League Challenge Cup for the first time, defeating Rye United 2-1—a feat repeated in 2011/12 with a 2-1 victory over AFC Uckfield. After a rocky start in one season losing four of the first nine matches, they went on a 29-game stretch with just a single defeat, finishing as Sussex County Football League Champions after a decisive 1-0 win over rivals Rye United.

Their debut season in the Ryman Isthmian League South Division was challenging, but an 11-match run late in the season, including seven wins, secured survival and earned Team of the Month Awards in March and April. Subsequent seasons saw fluctuating results, with mid-season signings helping them avoid relegation and later achieving 7th place in 2014/15, though defensive issues remained. The 2015/16 season saw improved defence but fewer goals scored, leading to a 14th-place finish with 66 points—only six fewer than the previous season.

The 2016/17 campaign was hit hard by injuries, forcing reliance on U21, Academy, and U18 players. Despite squad reinforcements later, relegation could not be avoided. In 2017/18, a strengthened squad and management team, including ex-player Martin Dynan as Assistant Manager and UEFA 'A' licensed Coach Marc Wardley, helped Three Bridges finish second in the Southern Combination League Premier Division, earning promotion back to the Isthmian League.

After 25 years as manager, Paul Faili stepped down in 2018/19 to focus on his role as Club Chairman, handing management to Martin Dynan, assisted by Liam Collins and Keith George. Despite a poor start, a brief unbeaten run earned Dynan Manager of the Month, but he departed after continued struggles. Paul Faili returned for the final nine games, securing a 14th-place finish, 14 points clear of relegation.

Paul remained in charge as manager, supported by Keith George, with coaching duties undertaken by Jamie Crellin, who later retired through injury after making 164 appearances. For the 2021/22 season, Crellin stepped up to become First Team Manager, with Danny Lee appointed as his assistant. Ahead of 2022/23, Brannon O'Neill took on the role of Assistant Manager, while Joe Kay joined the staff as First Team Coach. That campaign proved a remarkable one, as Three Bridges recorded what was then their highest-ever league finish, securing fourth place, although they were ultimately beaten by Chichester City in the playoff final.

In May 2024, Brannon O'Neill departed for Burgess Hill Town, resulting in Joe Kay moving into the Assistant Manager role alongside Jamie Crellin, with Ross Ball joining the coaching setup as Goalkeeping Coach. The 2024/25 season represented a significant milestone with the unveiling of the club's new 3G pitch on 26 December 2024. During construction, home fixtures were temporarily staged at The Bauvill Stadium in Chatham between August and early December. By January 2025, the new facility was fully operational, providing a major boost for the Men's, Women's and youth sides, as well as the local community. On the pitch, despite sitting in the relegation places as late as November, a strong second half of the season saw the team climb to an impressive 8th-place finish.

Much of the 2024/25 squad carried over into the 2025/26 campaign, supplemented by the additions of Sam Roberts, Charlie Bennett and Ade Adeyinka, as the club embarked on a historic season celebrating its 125th Anniversary. The Men's First Team produced outstanding league form throughout, sweeping aside opponents and comfortably securing the Isthmian League South East Division title with 96 points, finishing 11 clear of second-placed Croydon Athletic. Noel Leighton was also crowned the league's top scorer, registering 31 goals.

Capping off a memorable season, the Men's First Team reached the Sussex Transport Senior Cup Final, overcoming National League South sides Horsham and Worthing along the way, before lifting the trophy on penalties against Brighton & Hove Albion's U21's at the Amex Stadium. The league and cup double was secured amid widespread celebrations. Across all competitions, the side scored over 150 goals, with Noel Leighton, Reece Hallard and Charlie Bennett contributing a remarkable, combined total of 95.

Success extended beyond the Men's side, with the Women's First Team completing a treble by winning the SCWGFL Premier Division, SCWGFL Challenge Cup and Combined Counties Trophy. The U18's also enjoyed their most successful league campaign to date in the Isthmian Youth League East Division, while reaching the County Cup Final for the first time. It was a truly exceptional 2025/26 season across the entire club, one that will be remembered fondly for many years to come.

A HISTORY OF ENFIELD TOWN FOOTBALL CLUB FOUNDED: 2001

Formed on 23 June 2001, Enfield Town FC became the country's first fully fan-owned and fan-run senior football club following a breakaway from the original Enfield FC. After the sale of the Southbury Road ground, chairman Tony Lazarou withdrew from an agreement to transfer the club's ownership and escrow funds from the sale to the Enfield Supporters' Trust. Believing the existing regime no longer had the club's best interests at heart, members voted overwhelmingly to start afresh.

The club began life in the Essex Senior League (ESL) in 2001-02, finishing runners-up before winning the championship the following season. Its successful spell in the ESL brought two league titles, two league cups, the Middlesex Charity Cup, the Gordon Brasted Memorial Trophy and the Capital Counties Feeder Leagues Trophy.

Under manager Jim Chandler, Town were promoted to the Southern League (East) in 2005. After narrowly missing out on promotion in their first season, the club moved to the Ryman League in 2006-07, finishing third before losing to AFC Sudbury in the play-offs. Further disappointment followed in 2009-10, when Concord Rangers defeated Town in the play-off final.

Initially ground-sharing at Goldsdown Road with Brimsdown Rovers, the club secured an agreement with the London Borough of Enfield in October 2008 to relocate to the Queen Elizabeth II Stadium. Working closely with the Council, Town helped restore and upgrade the former athletics arena to accommodate Isthmian League football. The stadium, retaining its running track for local training, provided the club with a permanent home close to the former Southbury Road ground. It officially opened in November 2011 with a match against a Tottenham Hotspur XI.

In 2011-12, under manager Steve Newing, Town finished runners-up in the Ryman League Division One (North). Play-off victories over Grays Athletic and Needham Market secured promotion to Step 3. Following a period of consolidation, the club secured its place at that level on the final day of 2013-14 with a 2-1 win at Cray Wanderers.

Bradley Quinton replaced George Borg as manager in August 2014, leading Town to a play-off position in his first season. However, a controversial three-point deduction saw the club finish seventh. In 2015-16, Town missed the play-offs by two points before reaching the Premier Division play-offs in 2016-17, losing 4-2 to Dulwich Hamlet in the semi-final.

Andy Leese took charge at the start of 2017-18 following Quinton's departure to Braintree Town. Under Leese, Town achieved their best-ever runs in the FA Cup and FA Trophy and won the Isthmian League's Velocity Trophy for the first time.

The club's community work was recognised in June 2017 when it received the Middlesex FA's Charter Standard Community Club of the Year award. A new 3G training facility opened beside the stadium in November 2017, through a London Borough of Enfield project supported by the Football Foundation. Used by Town, local schools and other clubs, it helped strengthen the area's sporting provision. Enfield Town FC Community Sport Development Ltd, an independent not-for-profit organisation, was subsequently established and gained charitable status. Its activities include football schools, holiday clubs, disability football and walking football.

In summer 2018, the QEII Stadium hosted eight matches, including the final, of the Confederation of Independent Football Associations (CONIFA) Football World Cup. Between January 2019 and January 2020, three Town players—Rian McLean, Josh Davison and Muhammadu Faal—earned moves to EFL clubs. In September 2020, the club partnered with the Level 7 Academy to create a pathway for Under-18 players to progress towards the first team.

The 2021-22 season marked the club's twentieth year and ten years at the QEII Stadium. The occasion celebrated its teams across all ages and abilities, highlighting its role as a local football hub. The senior men reached the FA Trophy Third Round for the first time and achieved their highest-ever Isthmian Premier Division finish of third, before losing to two late Hornchurch goals in the play-off semi-final.

Town again challenged for the play-offs in 2022-23, reaching the top of the Isthmian Premier Division in January 2023 after an impressive run. A late-season dip in form ultimately saw them miss out by five points.

The 2023-24 season proved historic. Following Leese's departure, former Met Police manager Gavin Macpherson led Town through a memorable campaign. A club-record attendance of 2,225 watched a 1-0 play-off semi-final victory over Wingate & Finchley, while supporters also travelled to Copenhagen for the Fenix Trophy, a European competition for non-league clubs with special societal or historical significance. A 3-0 away win over Chatham Town in the play-off final secured promotion to the National League South for the first time.

Town's stay at Step 2 lasted just one season, with a 23rd-place finish resulting in relegation back to the Isthmian Premier Division. Billy Holland took over as manager for the 2026-27 season.

Today, Enfield Town continues to grow sustainably, with successful reserve, youth and ladies' teams alongside sides catering for different ages and abilities, including learning difficulties and walking football teams. The club remains committed to being inclusive, providing football at the highest sustainable levels and serving as a sporting and social centre for the local community.

MATCH REPORT
THREE BRIDGES 1-2 LEWES
ISTHMIAN LEAGUE PREMIER DIVISION
TUESDAY 13 OCTOBER 2026

Three Bridges fell to a narrow 2-1 defeat at home to Lewes on Tuesday night in the Isthmian Premier League, despite a brave performance at Jubilee Field.

Bridges started with purpose and nearly took an early lead in the third minute when Rivera forced Rogers into an excellent save. However, against the run of play, the visitors went ahead in the 14th minute. **Brian Garzon** picked up the ball with space 25 yards from goal before unleashing an unstoppable strike into the top corner to put Lewes in front. Roberts then produced an outstanding save to deny Allen shortly afterwards and keep the deficit at one.

Three Bridges gradually worked their way back into the contest, with Velvick and Wifa causing problems out wide. Their pressure paid off in the 30th minute when Rivera got to the ball first from a Velvick cross before being brought down inside the penalty area. **Ade Adeyinka** stepped up to take the spot-kick, and although Rogers saved his initial effort, the Bridges captain reacted quickest to slot home the rebound and level the scores.

The hosts continued to threaten, and Sam Bull came agonisingly close to giving Bridges the lead in the 40th minute with an acrobatic finish following a corner, only for his effort to crash against the crossbar. Both sides went into the break level at 1-1 after an entertaining first half.

Bridges dominated much of the second half, enjoying plenty of possession as they looked to find a winner, although clear-cut opportunities proved difficult to come by. Despite their control, the hosts were punished in the 73rd minute when a loose pass from the back was intercepted by Gondoh, who released **Noel Fisher** through on goal. Fisher made no mistake, restoring Lewes' advantage with a clinical finish.

Three Bridges pushed for another equaliser in the closing stages. Rivera forced Rogers into another save, while Reece Hallard came desperately close to rescuing a point in the 90th minute, striking the crossbar after a well-worked corner routine. However, the visitors held on to claim all three points.

The result lifted Lewes to second in the Isthmian Premier League table, while Three Bridges remained 20th and in the relegation zone. Despite the disappointment, Bridges can take encouragement from a spirited display against high-flying opposition, with their attention now turning to two more home fixtures as they look to get back on track.

Bridges Team: Roberts, Ferreria, J Hallard, Adeyinka (C), Bull, Rivera, Malone, Wifa, Chambers (R Hallard), Spicer, Velvick.
Unused Subs: Bryson, Neathey, Richards, Irving
Booked: Wifa, Velvick
