The Isthmian Football League strongly supports the Football Association's statement that there should be a zero-tolerance approach against all forms of discrimination. Any inappropriate conduct towards others, including but not limited to that based on an individual's sex, race, colour, weight, size, religion and belief, national origin, age, marital or domestic-partnership status, disability, sexual orientation, or gender identity or expression, will not be tolerated and will be reported to the relevant authorities. The Isthmian League and our Member Clubs are committed to promoting equity and equality by treating all people fairly and with respect, by recognising that inequalities may exist, by taking steps to address them and providing access and opportunities for all members of our communities.

Good evening everyone, and welcome to Jubilee Field for tonight's Sussex Transport Senior Cup fixture against Worthing.

Firstly, I extend a very warm welcome to the players, management team, directors, officials and supporters of Worthing. Thank you for joining us this evening. I hope you enjoy your visit and our hospitality, although naturally, I hope we enjoy the final result a little more than you do!

The Sussex Senior Cup will always hold a very special place in the history of Three Bridges Football Club. Last season, for the first time in our history, we lifted this wonderful trophy after beating Brighton & Hove Albion Under-21's in the final. It was an unforgettable occasion and one of the proudest moments our club has ever experienced. Ironically, our opponents tonight played an important part in that journey. We faced Worthing in the semi-final and produced one of our finest performances to earn our place in the final. That victory gave our players, supporters and everyone connected with Three Bridges a night we will never forget. However, we are well aware that what happened last season will have no bearing on tonight's game.

Perhaps we caught Worthing a little by surprise on that occasion. I very much doubt they will allow that to happen again! Worthing compete at the highest level of non-league football and continue to perform extremely well. We understand the size of the challenge facing us, but these are exactly the occasions we worked so hard to earn and the games everyone at Three Bridges should embrace.
As Chairman, I have nothing but the highest respect for Worthing Football Club. They are a club that, in my opinion, epitomise some of the very best values of our beautiful game. They are ambitious and progressive while remaining firmly connected to their supporters and local community. Their achievements on and off the pitch deserve enormous credit.

Respect, however, does not mean that we will be stepping aside.

We are the current holders of this trophy, and our players will be determined to defend it with the same courage, togetherness and belief that carried us through last season's competition. Jamie, his management team and every one of the players have our complete backing. We know that we will need to be at our very best, but this team has already shown that it is capable of producing something special when the occasion demands it.

To our supporters, please get behind the boys from the first whistle. Let us create another memorable cup atmosphere at Jubilee Field and remind everyone just how special this football club can be.

I must also thank our staff and volunteers, whose hard work makes evenings like this possible. Your dedication is always appreciated and never taken for granted, especially on night's like tonight.

To everyone connected with Worthing, you are very welcome. Whatever the result, I hope tonight's game reflects everything that is good about Sussex football.

The trophy is ours, the challenge is enormous, and we are ready to give everything to keep our journey alive.

Enjoy the game and Up The Bridges!

THREE BRIDGES F.C.

A HISTORY OF THREE BRIDGES FOOTBALL CLUB FOUNDED: 1901

Founded in 1901, Three Bridges joined the Mid Sussex Football League in 1902 and claimed their first league championship in the 1907/08 season. Their first significant triumph came in 1933/34 with a Sussex Junior Cup victory, followed by a series of minor honours before they entered the Sussex County Football League in 1952/53. Two years later, they were crowned Second Division Champions.

In 1962/63, they won the Division Two Invitation Cup, and were Second Division runners-up in 1968/69, 1973/74, and 1979/80. A notable achievement came in 1970/71 when they defied expectations to win the League's Invitation Cup against Southwick (3-2). The 1980s saw a string of successes, beginning with reaching the last 16 of the FA Vase in 1981/82, narrowly losing to Molesey (1-2). The following season, they reached the last 32 and captured the Sussex RUR Charity Cup for the first time, defeating Hastings Town 3-2. They finished runners-up in the Thorn EMI National six-a-side tournament the next year, earning a set of floodlights.

The mid-to-late 1980s were particularly strong: Division One runners-up in 1985/86, repeating the feat in 1987/88 (also winning the RUR Cup again) and 1988/89. A fire destroyed their clubhouse in 1993, which refocused club priorities and led to relegation in 1996/97. They bounced back by winning the Division 2 League Cup in 1997/98 and finishing as Division 2 runners-up to regain Division 1 status. RUR Cup runners-up in 2003/04, they claimed the trophy in 2007/08.

The 2010/11 season started strongly with nine consecutive league wins, though they ultimately finished 5th. However, they won the John O'Hara League Challenge Cup for the first time, defeating Rye United 2-1—a feat repeated in 2011/12 with a 2-1 victory over AFC Uckfield. After a rocky start in one season losing four of the first nine matches, they went on a 29-game stretch with just a single defeat, finishing as Sussex County Football League Champions after a decisive 1-0 win over rivals Rye United.

Their debut season in the Ryman Isthmian League South Division was challenging, but an 11-match run late in the season, including seven wins, secured survival and earned Team of the Month Awards in March and April. Subsequent seasons saw fluctuating results, with mid-season signings helping them avoid relegation and later achieving 7th place in 2014/15, though defensive issues remained. The 2015/16 season saw improved defence but fewer goals scored, leading to a 14th-place finish with 66 points—only six fewer than the previous season.

The 2016/17 campaign was hit hard by injuries, forcing reliance on U21, Academy, and U18 players. Despite squad reinforcements later, relegation could not be avoided. In 2017/18, a strengthened squad and management team, including ex-player Martin Dynan as Assistant Manager and UEFA 'A' licensed Coach Marc Wardley, helped Three Bridges finish second in the Southern Combination League Premier Division, earning promotion back to the Isthmian League.

After 25 years as manager, Paul Faili stepped down in 2018/19 to focus on his role as Club Chairman, handing management to Martin Dynan, assisted by Liam Collins and Keith George. Despite a poor start, a brief unbeaten run earned Dynan Manager of the Month, but he departed after continued struggles. Paul Faili returned for the final nine games, securing a 14th-place finish, 14 points clear of relegation.

Paul remained in charge as manager, supported by Keith George, with coaching duties undertaken by Jamie Crellin, who later retired through injury after making 164 appearances. For the 2021/22 season, Crellin stepped up to become First Team Manager, with Danny Lee appointed as his assistant. Ahead of 2022/23, Brannon O'Neill took on the role of Assistant Manager, while Joe Kay joined the staff as First Team Coach. That campaign proved a remarkable one, as Three Bridges recorded what was then their highest-ever league finish, securing fourth place, although they were ultimately beaten by Chichester City in the playoff final.

In May 2024, Brannon O'Neill departed for Burgess Hill Town, resulting in Joe Kay moving into the Assistant Manager role alongside Jamie Crellin, with Ross Ball joining the coaching setup as Goalkeeping Coach. The 2024/25 season represented a significant milestone with the unveiling of the club's new 3G pitch on 26 December 2024. During construction, home fixtures were temporarily staged at The Bauvill Stadium in Chatham between August and early December. By January 2025, the new facility was fully operational, providing a major boost for the Men's, Women's and youth sides, as well as the local community. On the pitch, despite sitting in the relegation places as late as November, a strong second half of the season saw the team climb to an impressive 8th-place finish.

Much of the 2024/25 squad carried over into the 2025/26 campaign, supplemented by the additions of Sam Roberts, Charlie Bennett and Ade Adeyinka, as the club embarked on a historic season celebrating its 125th Anniversary. The Men's First Team produced outstanding league form throughout, sweeping aside opponents and comfortably securing the Isthmian League South East Division title with 96 points, finishing 11 clear of second-placed Croydon Athletic. Noel Leighton was also crowned the league's top scorer, registering 31 goals.

Capping off a memorable season, the Men's First Team reached the Sussex Transport Senior Cup Final, overcoming National League South sides Horsham and Worthing along the way, before lifting the trophy on penalties against Brighton & Hove Albion's U21's at the Amex Stadium. The league and cup double was secured amid widespread celebrations. Across all competitions, the side scored over 150 goals, with Noel Leighton, Reece Hallard and Charlie Bennett contributing a remarkable, combined total of 95.

Success extended beyond the Men's side, with the Women's First Team completing a treble by winning the SCWGFL Premier Division, SCWGFL Challenge Cup and Combined Counties Trophy. The U18's also enjoyed their most successful league campaign to date in the Isthmian Youth League East Division, while reaching the County Cup Final for the first time. It was a truly exceptional 2025/26 season across the entire club, one that will be remembered fondly for many years to come.

A HISTORY OF WORTHING FOOTBALL CLUB FOUNDED: 1886

Worthing Association FC was founded in February 1886, initially playing at People's Park before moving to Beach House Park in 1889. The Club's first Sussex Senior Cup tie came in November 1886, when Worthing defeated Brighton Hornets 1-0. After losing the 1891/92 final, Worthing won the competition for the first time the following season, defeating Eastbourne 2-1. The Sussex Senior Cup would become a defining part of the Club's history, with Worthing eventually winning it a record 22 times, most recently in 2023.

Worthing were founder members of the West Sussex Senior League in 1896 and won their first championship in 1899, eventually claiming seven titles. The Club also won the RUR Cup 13 times. In 1900, Worthing and Worthing Athletic merged, and in 1901 the Club moved to its long-standing home at Woodside Road.

The early 20th century produced further distinction. The 1903/04 team included three future full internationals: S.S. Harris and E.G.D. Wright for England and Charlie Webb for Ireland. In 1908, Worthing reached the quarter-finals of the FA Amateur Cup, attracting a then-record Woodside Road crowd of more than 3,100.

Following the First World War, Worthing helped establish the Sussex County League and enjoyed considerable success, winning the championship in each of its first two seasons and six further titles during their time in the competition.

Worthing reached the FA Cup First Round Proper for the first time in 1936/37, losing 4-3 at Yeovil & Petters United. The Club had previously beaten Wimbledon in the Fourth Qualifying Round in front of approximately 3,600 supporters at Woodside Road.

After periods of mixed fortunes, Worthing enjoyed success following their move into the Athenian League and subsequently the Isthmian League. In 1981, Barry Lloyd was appointed manager and immediately transformed the Club's fortunes. Worthing won the Division 2 title in 1982, with striker Micky Edmonds scoring an extraordinary 53 goals. A year later, Lloyd guided the side to the Division 1 title and a second successive promotion, while Worthing also reached the Second Round of the FA Cup before losing 4-0 at Oxford United. The following two seasons saw the Club finish runners-up in the Premier Division.

After a difficult spell in the late 1980s and early 1990s, Worthing rebuilt once again. Under Gerry Armstrong, the Club won Division 2 in 1992/93 for a second time, before regaining Premier Division status as runners-up under John Robson. Worthing also reached the FA Cup First Round, taking the lead against AFC Bournemouth before eventually losing 3-1.

Brian Donnelly subsequently guided the Club to a dramatic escape from relegation in 1996/97, winning the final five matches of the season. Worthing also reached the Isthmian League Full Members Cup Final and won the Sussex Senior Cup for the first time in 21 years. In 1999/00, the Club made another FA Cup First Round appearance, this time travelling to Rotherham United.

The 2003/04 season saw Worthing finish runners-up in the league and regain their Premier Division place. The Club also reached the Sussex Senior Cup Final and the last 32 of the FA Trophy.

A new era began under Adam Hinshelwood, who was appointed manager in December 2013. A young squad was assembled and the Club's fortunes began to change. In 2015/16, Worthing won the Division One South Play-Offs to return to the Isthmian League top flight for the first time since 2007. A remarkable 7-0 semi-final victory over Hythe Town was followed by a 3-0 win over Faversham Town in the final at Woodside Road.

The Club continued to develop young players and produced another remarkable recovery in 2017/18. After a 32-game winless run, Worthing produced a dramatic turnaround, including a 5-0 Sussex Senior Cup victory over Lancing and important league wins over Dorking Wanderers and Needham Market. An Easter Monday victory over Merstham secured Premier Division survival.

The 2019/20 campaign was curtailed by the COVID-19 pandemic with Worthing sitting top of the Isthmian League. The following season was also abandoned early, with Worthing again occupying a leading position.

After two interrupted campaigns, Worthing finally reached National League South in 2022. The Club led the table from October and secured promotion with a 2-0 victory at Bowers & Pitsea on 9 April. Ollie Pearce was the outstanding figure, scoring 35 league goals to win the Premier Division Golden Boot and Player of the Year awards. Aarran Racine and Jesse Starkey were also named in the Divisional Team of the Season, while Adam Hinshelwood was named Manager of the Season.

The 2022/23 season brought further success. Worthing won the Isthmian Charity Shield and finished fourth in National League South, reaching the play-offs. The Club also won the Sussex Senior Cup, defeating Bognor Regis Town on penalties at the American Express Stadium, with 17-year-old goalkeeper Will Tillman saving the decisive penalty.

Worthing continued to establish themselves at Step 2 in 2023/24, finishing third in National League South and reaching the play-off final. The Reds also scored an outstanding 104 league goals. Ollie Pearce scored 43, winning the National League South Golden Boot and Player of the Year awards before moving to York City. Worthing also returned to the FA Cup First Round for the first time in 25 years.

In 2024, Chris Agutter was appointed First-Team Manager. Despite a major squad rebuild and playing the opening five matches away from home, Worthing again challenged at the top of National League South. The Club secured a second successive FA Cup First Round appearance and narrowly missed out on the league title by a single point, eventually reaching the play-offs.

The 2025/26 season proved to be the most successful in the Club's history. Following a difficult start, Adam Hinshelwood returned for his third spell as manager and oversaw a remarkable turnaround. Eight consecutive victories helped revive the campaign, followed by six wins in the final eight league matches.

The title was virtually secured over Easter with victories over Eastbourne Borough and then league leaders Dorking Wanderers, followed by an emphatic 7-2 win over Dagenham & Redbridge. Worthing finally secured the National League South title in front of a record crowd of 4,002 at the Sussex Transport Community Stadium, with goals from Joe Cook and Razzaq Coleman De-Graft securing victory over Ebbsfleet United.

The triumph completed Worthing's rise to the National League — the highest level of non-league football — and represented the culmination of more than 130 years of history, from the Club's first Sussex Senior Cup victory in 1893 to its record 22nd cup triumph in 2023 and, ultimately, promotion to the National League in 2026.

MATCH REPORT
BIGGLESWADE 1-3 THREE BRIDGES
FA TROPHY THIRD QUALIFYING ROUND
FRIDAY 25 SEPTEMBER 2026

Three Bridges booked their place in the FA Trophy First Round Proper for the first time in the club's history with a deserved 3-1 victory away to Biggleswade. With the tie played at Bedford Town's stadium, Jamie Crellin's side produced an assured performance to secure a much-needed confidence boost following a difficult start to life in the Isthmian Premier.

After the encouraging 3-3 draw with Leatherhead, Bridges made a confident start and took the lead with the first real chance of the game in the 9th minute. Sam Roberts' long ball was flicked on by Noel Leighton, with Hayden Velvick beating his marker before setting up **Charlie Bennett**, who finished into an empty net.

Bridges continued to control possession without creating too much further threat, while the hosts struggled to establish any real rhythm. Despite a couple of bookings, Bridges went into half-time deservedly ahead.

Leighton went close shortly after the restart, shooting narrowly wide, before Bridges doubled their advantage in the 58th minute. Another impressive run from Velvick saw him find Kevin Rivera inside the box, where the midfielder was brought down to earn a penalty. **Charlie Bennett** stepped up and confidently sent the goalkeeper the wrong way to make it 2-0.

Biggleswade, however, pulled one back in the 68th minute when a deflected free-kick fell kindly to Bond, who finished past Roberts to reduce the deficit.

Having surrendered a two-goal lead against Leatherhead just days earlier, there may have been some nervous moments in the Bridges camp, but they quickly put those concerns to rest. Five minutes later, Bryan Villavicencio won possession high up the pitch and released Rivera, who fired a powerful effort from the edge of the box. The shot slipped through the goalkeeper's hands and into the net to restore Bridges' two-goal advantage.

The hosts were handed a semi-lifeline in the 85th minute when Josh Hallard was shown a second yellow card for a late challenge, leaving Bridges to see out the final stages with 10 men.

Crellin's side remained composed and managed the closing stages professionally to secure a convincing 3-1 victory and a historic place in the FA Trophy First Round Proper, and a trip to play Dartford on 24 October.
