The Isthmian Football League strongly supports the Football Association's statement that there should be a zero-tolerance approach against all forms of discrimination. Any inappropriate conduct towards others, including but not limited to that based on an individual's sex, race, colour, weight, size, religion and belief, national origin, age, marital or domestic-partnership status, disability, sexual orientation, or gender identity or expression, will not be tolerated and will be reported to the relevant authorities. The Isthmian League and our Member Clubs are committed to promoting equity and equality by treating all people fairly and with respect, by recognising that inequalities may exist, by taking steps to address them and providing access and opportunities for all members of our communities.

Good afternoon, everyone, and welcome to Jubilee Field for today's Isthmian Premier Division fixture.

After three successive away games, we're back at Jubilee Field for the first of two home Saturdays. Cheshunt visit us today, with Wingate & Finchley following next weekend, and these are two opportunities for us to start putting points on the board again.

Tuesday's 1–0 defeat at Dartford followed difficult matches at Cray Wanderers and Welling United. We need results, and everyone understands that. But even with ten men at Princes Park, we were still threatening an equaliser late in the game, with Noel Leighton forcing an excellent save. That gives us something to take into this afternoon.

My commitment to this club and my support for the players and management remain as strong as ever. We've earned our place at this level, and I believe we can establish ourselves here. We need to keep working, keep competing and give our supporters something to get behind.

A warm welcome to Cheshunt's players, officials and travelling supporters. Their 4–3 Velocity Cup win over Aveley on Tuesday shows the threat they carry. They arrive immediately above us in the table, which adds to the importance of today's game. We'll need to be ready from the opening whistle.

Looking ahead, I'm particularly excited about our new Three Bridges Football Academy. Giving young people the opportunity to develop their football alongside their education is something I care deeply about. The academy is an important part of our plans for the club's future, and I look forward to sharing more as we move forward. Please help us spread the word to young players and families who might be interested.

Congratulations also to Rachel Phillips and Alf Blackler, the winners of our October 200 Club draw. Thank you to everyone who takes part and supports the club.

I want to thank those who have followed us through this run of away fixtures. Your backing matters, especially when results are difficult. To our volunteers and staff, thank you for everything you do to keep Three Bridges moving forward.

Let's make the most of being home. Enjoy the afternoon and get behind the lads.

1901
THREE BRIDGES F.C.

A HISTORY OF THREE BRIDGES FOOTBALL CLUB FOUNDED: 1901

Founded in 1901, Three Bridges joined the Mid Sussex Football League in 1902 and claimed their first league championship in the 1907/08 season. Their first significant triumph came in 1933/34 with a Sussex Junior Cup victory, followed by a series of minor honours before they entered the Sussex County Football League in 1952/53. Two years later, they were crowned Second Division Champions.

In 1962/63, they won the Division Two Invitation Cup, and were Second Division runners-up in 1968/69, 1973/74, and 1979/80. A notable achievement came in 1970/71 when they defied expectations to win the League's Invitation Cup against Southwick (3-2). The 1980s saw a string of successes, beginning with reaching the last 16 of the FA Vase in 1981/82, narrowly losing to Molesey (1-2). The following season, they reached the last 32 and captured the Sussex RUR Charity Cup for the first time, defeating Hastings Town 3-2. They finished runners-up in the Thorn EMI National six-a-side tournament the next year, earning a set of floodlights.

The mid-to-late 1980s were particularly strong: Division One runners-up in 1985/86, repeating the feat in 1987/88 (also winning the RUR Cup again) and 1988/89. A fire destroyed their clubhouse in 1993, which refocused club priorities and led to relegation in 1996/97. They bounced back by winning the Division 2 League Cup in 1997/98 and finishing as Division 2 runners-up to regain Division 1 status. RUR Cup runners-up in 2003/04, they claimed the trophy in 2007/08.

The 2010/11 season started strongly with nine consecutive league wins, though they ultimately finished 5th. However, they won the John O'Hara League Challenge Cup for the first time, defeating Rye United 2-1—a feat repeated in 2011/12 with a 2-1 victory over AFC Uckfield. After a rocky start in one season losing four of the first nine matches, they went on a 29-game stretch with just a single defeat, finishing as Sussex County Football League Champions after a decisive 1-0 win over rivals Rye United.

Their debut season in the Ryman Isthmian League South Division was challenging, but an 11-match run late in the season, including seven wins, secured survival and earned Team of the Month Awards in March and April. Subsequent seasons saw fluctuating results, with mid-season signings helping them avoid relegation and later achieving 7th place in 2014/15, though defensive issues remained. The 2015/16 season saw improved defence but fewer goals scored, leading to a 14th-place finish with 66 points—only six fewer than the previous season.

The 2016/17 campaign was hit hard by injuries, forcing reliance on U21, Academy, and U18 players. Despite squad reinforcements later, relegation could not be avoided. In 2017/18, a strengthened squad and management team, including ex-player Martin Dynan as Assistant Manager and UEFA 'A'

licensed Coach Marc Wardley, helped Three Bridges finish second in the Southern Combination League Premier Division, earning promotion back to the Isthmian League.

After 25 years as manager, Paul Faili stepped down in 2018/19 to focus on his role as Club Chairman, handing management to Martin Dynan, assisted by Liam Collins and Keith George. Despite a poor start, a brief unbeaten run earned Dynan Manager of the Month, but he departed after continued struggles. Paul Faili returned for the final nine games, securing a 14th-place finish, 14 points clear of relegation.

Paul remained in charge as manager, supported by Keith George, with coaching duties undertaken by Jamie Crellin, who later retired through injury after making 164 appearances. For the 2021/22 season, Crellin stepped up to become First Team Manager, with Danny Lee appointed as his assistant. Ahead of 2022/23, Brannon O'Neill took on the role of Assistant Manager, while Joe Kay joined the staff as First Team Coach. That campaign proved a remarkable one, as Three Bridges recorded what was then their highest-ever league finish, securing fourth place, although they were ultimately beaten by Chichester City in the playoff final.

In May 2024, Brannon O'Neill departed for Burgess Hill Town, resulting in Joe Kay moving into the Assistant Manager role alongside Jamie Crellin, with Ross Ball joining the coaching setup as Goalkeeping Coach. The 2024/25 season represented a significant milestone with the unveiling of the club's new 3G pitch on 26 December 2024. During construction, home fixtures were temporarily staged at The Bauvill Stadium in Chatham between August and early December. By January 2025, the new facility was fully operational, providing a major boost for the Men's, Women's and youth sides, as well as the local community. On the pitch, despite sitting in the relegation places as late as November, a strong second half of the season saw the team climb to an impressive 8th-place finish.

Much of the 2024/25 squad carried over into the 2025/26 campaign, supplemented by the additions of Sam Roberts, Charlie Bennett and Ade Adeyinka, as the club embarked on a historic season celebrating its 125th Anniversary. The Men's First Team produced outstanding league form throughout, sweeping aside opponents and comfortably securing the Isthmian League South East Division title with 96 points, finishing 11 clear of second-placed Croydon Athletic. Noel Leighton was also crowned the league's top scorer, registering 31 goals.

Capping off a memorable season, the Men's First Team reached the Sussex Transport Senior Cup Final, overcoming National League South sides Horsham and Worthing along the way, before lifting the trophy on penalties against Brighton & Hove Albion's U21's at the Amex Stadium. The league and cup double was secured amid widespread celebrations. Across all competitions, the side scored over 150 goals, with Noel Leighton, Reece Hallard and Charlie Bennett contributing a remarkable, combined total of 95.

Success extended beyond the Men's side, with the Women's First Team completing a treble by winning the SCWGFL Premier Division, SCWGFL Challenge Cup and Combined Counties Trophy. The U18's also enjoyed their most successful league campaign to date in the Isthmian Youth League East Division, while reaching the County Cup Final for the first time. It was a truly exceptional 2025/26 season across the entire club, one that will be remembered fondly for many years to come.

A HISTORY OF CHESHUNT FOOTBALL CLUB FOUNDED: 1946

Cheshunt Football Club has a history stretching back to 1880, when an amateur side of the same name was formed. The club competed in the Athenian League and included future Tottenham Hotspur manager Arthur Rowe among its players. It was regarded as the oldest amateur team in Hertfordshire in 1931, but folded that year.

The club was reformed in 1946 and quickly made its mark on the national football scene. In 1950, Cheshunt famously knocked holders Bromley out of the FA Amateur Cup in front of a record crowd of 5,000 at their newly opened Cheshunt Stadium on Theobalds Lane.

Following several league changes, the Ambers joined the Athenian League in 1964, eventually reaching its top division under former Tottenham Hotspur and Wales winger Terry Medwin.

The 1970s proved a particularly successful period. Under manager John Drabwell, Cheshunt won the London Charity Cup, completed an Athenian League and Cup double, and secured entry into the Isthmian League. In 1978, they reached the FA Cup Fourth Qualifying Round for the fourth time, a feat the club has yet to surpass. Four years later, they reached the last eight of the FA Vase, their best-ever run in a national competition. This period also saw the emergence of young Iain Dowie, who went on to enjoy a successful career as a top-flight player, Northern Ireland international and Premier League manager.

Financial difficulties and changes in ownership threatened the club's existence during the mid-1980s, resulting in relegation to the Spartan League. However, Cheshunt returned to the Isthmian League six years later.

A new era began in 2002 with the appointment of Andy Leese, who guided the club through two successive promotions and to the top of the Isthmian Premier League. Following his departure in 2005, the club narrowly avoided relegation before moving into the Southern Premier League. A subsequent return to the lower Isthmian divisions began a challenging period lasting more than a decade.

Dean Williamson's arrival as chairman and owner brought renewed stability, and in January 2018 Craig Edwards was appointed manager. After initially steering the side away from relegation, Edwards built an impressive team which secured promotion to the Isthmian Premier League in 2019, defeating Bracknell Town in the play-off final.

Despite the disruption caused by the COVID-19 pandemic, Cheshunt retained much of its squad and made an excellent start to life back in the Isthmian Premier League during its 75th anniversary season. A remarkable FA Trophy campaign saw the Ambers reach the fifth round, where they narrowly lost 1-0 to eventual National League champions Stockport County. The season also brought further success, with the club winning the Herts FA Senior Cup for the first time and securing a play-off place. Victories away at Bishop's Stortford and Hornchurch earned promotion to Step 2 for the 2022/23 season, the highest level in the club's history.

Life at Step 2 proved challenging, with the club subsequently relegated following a difficult campaign. Nevertheless, the experience provided valuable lessons and further ambitions for the future.

Today, Cheshunt continues to develop both on and off the pitch. Stadium improvements have included additional terracing and seating, while the club has expanded its community involvement through Walking Football, inclusive teams, women's football and a growing youth section.

From its origins in 1880 to its achievements across the football pyramid, Cheshunt Football Club remains an important part of its local community, with ambitions to build on its proud history and create further success for the Ambers.

MATCH REPORT
DARTFORD 1-0 THREE BRIDGES
ISTHMIAN LEAGUE PREMIER DIVISION
TUESDAY 17 NOVEMBER 2026

Three Bridges produced a much-improved performance against Dartford on a cold Tuesday evening, but once again came away empty-handed as the hosts claimed a 1-0 victory in a game overshadowed by a series of hugely contentious officiating decisions.

Dartford started the brighter of the two sides, with Sam Roberts forced into action to keep out Max Fiddes' low effort after Josh Hallard had been beaten too easily down the left. However, Bridges gradually grew into the contest and came agonisingly close to taking the lead in the 17th minute, only for Ryan Sandford to produce an excellent diving fingertip save to deny Noel Leighton's header.

The remainder of the first half was played out in competitive fashion, but the major talking point arrived just before the interval. Scott Malone had already been cautioned for the softest of shirt pulls, and when a Dartford attacker ran across the Bridges defender before going to ground following what appeared to be accidental contact, the referee had little hesitation in producing a second yellow card.

The decision prompted furious protests from the Bridges management team, but neither the referee nor the assistant on the near touchline appeared willing to offer any explanation for the dismissal.

Despite being reduced to ten men, Bridges arguably produced the better performance after the break. A point-blank Billy Irving header struck the post in the 50th minute, before Noel Leighton was seemingly brought down inside the penalty area by Joe Tennant. Once again, however, the referee and his assistant waved away the Bridges appeals, much to the frustration of the travelling side.

And when things aren't going your way, they really aren't going your way. Just a minute later, Dartford took the lead. An effort from the edge of the box, seemingly heading towards goal, struck Ben Swift, who knew very little about it. With Sam Roberts already committed in the opposite direction, the deflection sent the ball trickling into the back of the net.

To their credit, Bridges refused to let their heads drop. Hayden Velvick and Dan Ferreira continued to cover every blade of grass, while Noel Leighton battled tirelessly against three Dartford defenders in an increasingly isolated role up front.

It was Leighton who came closest to finding an equaliser, played through by Ade Adeyinka following a surging run, but Sandford was once again equal to the task, producing another excellent save to keep out the striker's powerful effort.

Ultimately, it simply wasn't to be for Bridges, who were left to reflect on another frustrating evening on the road, particularly given the circumstances surrounding the key decisions. Defeat, yes, but there were plenty of positives to take from a much-improved display compared to recent weeks.

Bridges team: Roberts, Ferreira, J Hallard (Przybylo 77), Adeyinka, Neathey, Leighton (C), R Hallard (Irving 46), Malone, Idowu-Johnson (Villavicencio 67), Velvick, Bennett
Unused Subs: Bryson, Spicer
Booked: Malone, Ferreira, Neathey
Sent-Off: Malone
